

Authority to Use Photographs

I understand that club related activities including the Sunday morning nippers program, surf & other carnivals, training sessions and club social events may be photographed from time to time. The photographs may come from a variety of sources including other club members, parents or other family members, employees and agents of local media outlets or accredited SLSA photographers.

I also understand the club may from time to time seek to use those photographs for a variety of purposes, including club newsletters, the club website, annual reports, club sponsorship and marketing information, articles provided for inclusion in local media and community based publications, club historical records, annual photo books and photographic displays at club functions and activities. They may also be provided to SLSA, NSW Surf Life Saving or Sydney Northern Beaches Surf Life Saving for inclusion in surf life saving related publications.

I acknowledge my photograph and/or that of my child (ren) may be used as indicated.
