3rd October 2019

To: Australian Surf Life Saving Members & Friends of Freshwater SLSC

RE: The 25th Freshie Masters, Saturday 9th November 2019, 8am-11:00am

Dear Masters

I am writing to you on behalf of the membership of the Freshwater Surf Life Saving Club (FSLSC).

Founded in 1908 our membership is recognised Australia wide for our commitment to the preservation of life through vigilance and service to all visitors to Freshwater Beach.

The 'Freshie Masters' has for many years been recognised as Australia's most popular Masters Carnival.

This year we celebrate the 25th Freshie Masters. A 'fast program' carnival that is inclusive for all Masters and, in 2019, welcomes public entry. We finish with a brunch & presentation for all of us to enjoy. We are thrilled to have the Harbord Beach Hotel sponsor this carnival again in support of the 'Ross Parry Cup'. The cup is awarded to the most successful Club in Teams events. In 2019 we introduce the, 'Dash for Cash'. The Dash is a world first. A sprint from the surf cans (from the 'string') to the surf club in two divisions, U/50 & O/50 for Men & Women. Please join us in the Dash for Cash at the conclusion of Teams & prior to March Past.

You will note that we have 'moved up' our teams age groups to reflect the attendance data over recent years, this allows many of our social, and possibly older, Masters to continue to enjoy the great Teams format.

Entries close strictly on Wednesday 30th October via our online entry portal, www.freshwaterslsc.com

On behalf of the Executive Committee and our membership I welcome you to the 25th Freshie Masters, in particularly those joining us for the first time here at Freshwater one of Australia's most iconic beaches.

I'm looking forward to seeing you, toes on the line, for the first race, Surf Teams, at 8am.

Welcome & Best Wishes,

Alan Burns
President
Freshwater SLSC
