

110th Annual Report & Financial Statements Season 2018/19

A meeting was held on Sunday, November 22, in Undercliff-road for the purpose of taking steps to form a surf club for Freshwater beach. A large number of the brown boys turned up, and strongly supported the movement. A committee of seven active members was appointed. The secretary was instructed to write the elected president (Dr. Arthur) and the five vice-presidents for their acceptances. The entrance and joining fee was fixed at 2s 6d. Over 100 members were enrolled, and, judging by the enthusiasm displayed by all, success is assured. It was decided to issue a badge.

At Foster's Grand Pier Hotel on Saturday last many resolutions were carried, and at a grand general meeting held on Sunday, the 29th, on the beach, these were all passed. Mr. A. Neven-Tossan was elected hon. secretary. Mr. Percy Scott assistant, and Mr. Costern hon. treasurer. It was decided to hold a surf carnival on January 28, 1909, Anniversary Day, to which everybody is invited.

.

FRESHWATER SLSC

CLUB AWARDS

To ensure no lives are lost while on patrol, assist members to achieve their full potential and support the community.

The excellent standard of the Nominees for the Club's Special Awards made the task of the selectors very difficult this year.

Gordon Jones Honour Blazer for Outstanding Service to the Club Chris Tyrrell

Senior Club Person of the Year James Crittenden

Young Club Person of the Year Jordan Dobson

Distinguished Service Awards Ken Rickard & Judy Bennett

Prominent Service Awards Kelly Dobrow, Richard Hawtin, Lynn Doyle, Steve Davis & Andrew McEwen

Patrol of the Year

Patrol 7 - James Crittenden (PC)
Anthony Bennett, Samuel Carnell, Jack Coates, Max Coates, Stephanie Crittenden, Michael Daley, Harrison Glackin, Liam Glackin, Maxwell Glackin, Cheyanne Hayes, Tania Louis-Seize, Bailey Miller, Alex Obern, James Pendray, Bill Smith, Stephanie Tyson, Rebecca Ulloa, Michael Vilnis, Georgia Weston, Mathew Wilmott

Patrol Person of the Year David Price

Youth Patrol Person of the Year Caitlin Price

Rookie Patrol Person of the Year Alexander Needham

IRB Driver of the Year James Crittenden

Most Outstanding Board Paddler Jessie Douglas

Most Outstanding Ski Paddler Ben Kirkby

Most Outstanding Swimmer Tamsyn Curley

Most Outstanding Masters Competitor John De Mestre

Most Outstanding Lifesaving Competitor Tahlia Dearden & Julia Baker

Most Outstanding March Past Competitor Ross Parry

Most Outstanding Boat Rower Mark Rickard

Most Outstanding R & R Competitor Chris Tyrrell

Most Outstanding Beach Competitor Mila McGettigan

Most Outstanding Board Riding Competitor Declan Quail

Most Outstanding Team of the Year Open First Aid Team Julia Baker & Tahlia Dearden

SNB Branch Team Reps Leela Scott, Artie Leiper, Joshua Gedz, Stefanie Fejes & Mila McGettigan

Surf Life Saving Sydney Northern Beaches Beach High Performance Squad Members Leela Scott, Nara Jordi, India Holden, Charlotte Watton, Artie Leiper, Joshua Gedz, Stefanie Fejes, Mila McGettigan, Charlotte Block & Evan Neal

NSW Youth Pathway Team Joshua Gedz

Freshwater Youth Scholarship to assist the further education and progress of a club member Jessie Douglas

In Memoriam

We pay our respects to the following members who left us this season.

TOMMY RAMSAY

The 14th October saw the passing of long time member Tom Ramsay following a long battle with illness.

Tom was a member of our club for over 40 years and was in the life-saving movement for a total of 65 years. For many years he was actively involved in the club in both competition and training. He provided valuable assistance to countless SRC & BM training squads over the years, passing on his knowledge of the water after a lifetime in the surf.

While he competed with the club in his early years, his competitive skills came to the fore later in life in the Masters competition, particularly in the board rescue event with long time partner Graham Spicer. He was also a keen march past competitor. By the end of his career Tommy had won 2 Australian, 13 State (including 9 gold) and numerous Branch medals.

Post his competitive years he was a long time member and regular contributor to the club's Sunday morning House of Lords. A large contingent of family & friends attended a service for Tommy at the surf club where he was given a fond farewell. He will be sadly missed.

Vale Tom.

RICHARD CHAPMAN

The club lost its oldest member in February with the passing of Richard Chapman at the age of 97.

Richard originally became involved with the movement in the 1940's and after a long break joined Freshwater in the mid 1980's. Richard soon became actively involved in club life and took on a number of roles including Club Captain, Vice Captain, IRB Captain, Gear Steward and Branch Delegate.

He was awarded the club honour blazer in 1994 and was named Patrol Person of the Year in 1995 at the age of 74. Richard kept in contact with the club in his later years and was still able to attend the occasional club function well into his 90's.

Vale Richard.

STEVE REILLY

On 23 March former member and well known boat identity Steve "Beaver" Reilly passed away after a long battle with cancer.

Steve had a long and proud history with the club, joining in the 1966/67 season, and then winning the Australian Junior Surfboat Championship in his first year of rowing at SouthPort in South Australia. He then backed that up winning the Aussies once again under the legendary Sweep Brian 'Woggles' Mason, this time at North Cronulla in 1968.

Steve was also a great sportsman out of the surfboat. He was a NSW State CHS athletics javelin champion, with a record throw which stood for many decades. He was also an accomplished and respected (and feared) footballer playing Rugby League for Manly and also many first grade games for his beloved South Sydney Rabbitohs during the 1970's.

Steve's generosity and sponsorship with Surf Life Saving and surfboat rowing was greatly appreciated, donating many hundreds of thousands over his long association with the surf boat community.

Vale Steve.

FRESHWATER SLSC ORGANISATIONAL CHART

PRESIDENT

What a season we've had with all sections of the club exceeding their efforts of previous years. However, the most pleasing aspect of the 2018/19 season is that I can report once again there has been no lives lost by anyone swimming between the flags during patrolled hours.

Official figures show 50% of SNB clubs have reported a drop in their membership numbers this season and we are one of those. Our total membership has dropped from 1767 last season to 1732 this year, representing a decrease of some 2% and is our lowest membership total since the 2009/10 season. Based on the latest membership figures provided by NSW (May 2019), the club now has the 2nd largest overall membership in the Branch, the largest nipper contingent and the 5th highest number of patrolling members.

The most important component of our club is and has always been, our patrolling members and the 2018/19 season saw us put 345 patrolling members on the beach to ensure the safety and wellbeing of approximately 350,000 visitors. How successful we were can easily be seen by comparing official figures with last year. Our total recorded number of rescues is down from 112 to 38 which clearly demonstrates the effectiveness of our patrol teams. The details of the rescues, first aid incidents and other results can be found in our Director of Lifesaving's report. After 2 years of service to this role, Dee will not be standing again this year and we thank her for her contribution.

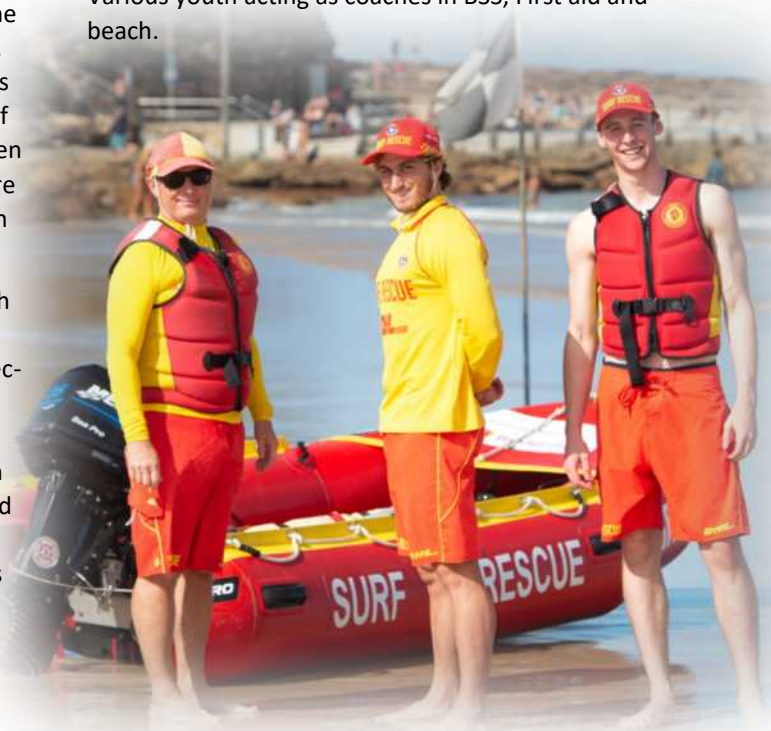

Wayne Freakley has again continued in his role as our Executive Officer. This season has seen the finalisation of the new club website and upgrading of office hardware and the implementation of a new independent award panel to review and make recommendations for annual club service awards. There was also the ongoing implementation of the new child protection procedures being rolled out by NSW, collation of records relating to all medals won by members at Australian titles since 1919 and the on-going collation of club records for subsequent display on the television screen which has recently been installed in the foyer area. A more detailed outline of Wayne's achievements is to be found in the Executive Officer's report.

Our Treasurer, Chris Tyrrell has worked in conjunction with Wayne to overhaul the club's financial policies and procedures. This new policy is designed to assist each Executive Committee member in understanding their financial responsibilities, authority and procedures associated with expenditure. Chris has also worked with the proprietors in the Kiosk to ensure a mutually prosperous relationship and has implemented various amendments to the Memorandum of Understanding with the kiosk operators. Chris has also spent time with and assisted each EC member with budgeting and the overall understanding of the club's financial position and reports.

Sadly, our Director of Member Services, Claire de Paoli, is leaving this role after 3 busy, but fun filled years and we're very grateful for her contribution over this time. Claire has completely reorganised our club's merchandise as well as organising many varied events including Freshies on Fridays, through to the Life Member's lunches and other club related events.

We had a focus this year on Youth Development and Clare Freakley and Tom Duffy were elected as Joint Directors of this portfolio. From the outset, they decided to make the portfolio as broad as possible, so they expanded "youth" to include U14s to U23s. Some highlights include a youth party featuring a performance from a local band made up of our own youth club members; an RSA course was run and in return, assistance with service at club functions was provided. They Introduced "female only" strengthening sessions for youth members, run by Sammy Wood and overall, there was amazing participation from our youth members in all domains, including surf sports, education and lifesaving -

- 30 members U15-U17 achieved their bronze medallions
- Mila McGettigan won SNB Junior Lifesaver of the Year (Freshwater has won 5 of the last 6 years in the female category)
- For the first time in many years the club had competitors in every area of competition thanks to our youth members making a resurgence in beach and board riding.
- Various youth acting as coaches in BSS, First aid and beach.

PRESIDENT

Under the leadership of Jacqueline Phillips, our Education team were responsible for our members attaining 200 varied awards, earning 59 Bronze Medallions and completing over 535 Proficiencies. The team also participated in community CPR training in collaboration with Freshwater Community Bank Bendigo Branch and thanks goes to Emily Lemlin, Kelly Dobrow and Deandra Godoy for volunteering their time to do this.

Mary-Louise Parkinson is our most recent addition to the EC, tackling the very difficult portfolio of Sponsorship & Marketing. It would be remiss of me not to commend Mary-Louise on an outstanding job over the season which saw us not only retain all our existing sponsors, but significantly, add to their number. Her attention to detail and persistence resulted in a new major sponsor – Healthy Care (Nature's Care) and their sponsorship of \$25,000, plus a further contribution of \$7,500 for the Australia Day carnival has allowed us to purchase much needed rescue equipment. She has just returned from her 2 month European adventure and we're all excited to hear of her plans and ideas for next season.

Our Facilities Director, Phil Fagan, has ensured that the focus for the past season has been on maintenance and equipment fixes. These include replacement of the storm damaged ceiling under the front balcony and replacement of the taps in the male showers. Special thanks to Dave Torevell and Wayne Freakley who are painting and repairing the ceilings and columns in the board storage area. Our caretakers George and Michelle Vella, finished their tenure towards the end of June and we thank them for the high standards they have maintained over the past 3 years. We wish them well in their future endeavours and welcome our new caretakers, Josh and Madison Mitchell.

Our Sports Director, Kev Crow had a difficult year, suffering from ill health and family commitments which prevented him from being as involved as he had wanted, but his plans for next season are well underway. Despite this, we had some outstanding results from the various carnivals held throughout the season, culminating in the National titles held at Broadbeach on the Gold Coast in April. Gold medals were won by John de Mestre, Mike Kirkby, Sigi Hill, Andrew de Vries, Tahlia Dearden, Julia Baker, Ian Donald, Chris Tyrrell, Jarrad Freakley, Clare Freakley, Hugo Weston, Seb di Sano, Pat Kiely, Alan Burns, Jane Freakley, Libby Murphy, Lysa Kiely and Bec Kiely. For further details of placings in all carnivals, please refer to the back of this Report.

Our new JAC Chairman, Paul McGettigan proved he was well up to the task and led this section of our club with distinction. Some highlights include:-

- 700 Nippers enrolled for the season.
- 25 U14's completed their SRC and advanced into patrols
- 11 Nippers selected in the Branch High Performance Squads.
- 5 Nippers selected for the SNB Interbranch Team and helped SNB win Interbranch at the annual Surf Life Saving Representative carnival.
- 8 Nipper parents completed their bronze medallion.
- Freshwater won the Branch land carnival.
- Freshwater won the All Age Sprint Relay at State.
- Freshwater finished 16th at State
- Josh Gedz was selected from the U14's to represent NSW at the Surf Life Saving Australia – Interstate Championships.
- Mila McGettigan was selected as Branch Female Junior Lifesaver of the Year.

We are very fortunate to have the financial support of all our sponsors, both large and small, who have supported us again this year. Further details on these sponsors can be found in the report from the Director of Sponsorship and Marketing, but we must acknowledge our 4 major sponsors. As always, the **Harbord Beach Hotel**, with proprietors John Thorpe AM and Trish King and their GM, Sean King deserve special mention as the hotel has been our major sponsor for 42 years and we are so thankful for their generosity.

Of course, we are also fortunate to have the support of Michael Phillips, GM of the **Harbord Diggers Club** (part of the Mounties Group) and its Board of Directors; the **Freshwater Community Bank Bendigo Branch** and our main contacts, Sandy Kleiner, Cherie Watt, Simone Linay and Trevor Sargeant and of course; our most recent major sponsor, **Healthy Care Nature's Care**, the providers of the Healthy Care range of health related products and their COO, Todd Atkinson. We trust their support will continue for many years to come.

Thanks to all the members of the EC and various club members who have provided me with support during the season and I look forward to seeing you all on the beach for the 2019/20 season.

Alan Burns
President

EXECUTIVE OFFICER

This has been another busy year for the provision of administrative support to the club and its members. Despite increasing work volumes the various obligations imposed by Branch, NSW Surf Lifesaving & SLISA were met as were a range of legislative reporting and compliance requirements.

Membership

This year saw a revamp of the membership categories by SLISA with all pre-existing membership categories becoming subsets within one of 5 primary membership groups – Active, Associate, Junior, Honorary/Service & Community. While new SLISA Regulations indicated clubs could decide which category members could be assigned to, the SLISA Surfguard system automatically allocates members to one of the 5 major categories. The so-called flexibility available to clubs therefore remains a mystery while the validity of the changes remains in doubt.

While the club's constitution will eventually need to be amended to reflect the changes, that process awaits similar changes first occurring to the constitutions of both SLISA and NSWSLIS.

Obtaining consistent membership data remains a challenge because of the vagaries of the Surfguard system. Differing membership totals are still arrived at depending on which reporting mechanism in Surfguard is used.

Based on the same reporting mechanism the club has relied on for the past 7 years, the total membership for this season has dropped from 1767 last season to 1732 this year. This represents a decrease of nearly 2% and is our lowest membership total since the 2009/10 season. The table below provides a breakdown of the traditional membership base for the 2018/19 season and as can be seen most categories have remained relatively stable.

Category	Total Members 2018/19	Male	Female	Total Members 2017/18	Member Retention from
Probationary	6	3	3	4	66.7%
Junior Activity (5-13)	697	365	332	728	95.7%
Cadet (13-15)	39	16	23	49	79.6%
Active Junior (15-18)	71	45	26	74	95.9%
Active Senior (18 +)	228	163	65	219	104.1%
Reserve Active	1	1	-	2	50.0%
Long Service	145	120	25	141	102.8%
Life Member	20	19	1	20	100.0%
Award	6	3	3	6	100.0%
Associate	29	19	10	24	120.8%
General	485	289	196	491	98.8%
Honorary	4	2	2	8	50.0%
Other	1	1	-	1	100.0%
Total	1732	1046	686	1767	98.2%

Based on the latest membership figures provided by NSW (May 2019), the club now has the 2nd largest overall membership in the Branch, the largest nipper contingent and the 5th highest number of patrolling members. As can be seen from the following table, our membership numbers in key areas are well above the Branch average:

	Highest	Smallest	Branch Average	Freshwater
Total members	1792 (Manly)	47 (Nth Palm B)	875	1732
Nippers	697 (Freshwater)	0 (Nth Palm B & Palm B)	305	693
Patrolling members*	980 (Palm Beach)	26 (Nth Palm B)	264	345

* Includes cadet, active junior, active senior and Reserve Active members. The Branch average is distorted by the high number of reserve active members at Palm Beach (557) which is the membership category that allows access to the full range of the club's facilities. The total number of Reserve Active members across the remaining 20 clubs is 155.

EXECUTIVE OFFICER

Service Awards

This season saw the following life and long service members achieve SLSA long service benchmarks –

- 75 years – John Mills OAM
- 70 years – Peter Rowlands
- 50 years – Richard Ware
- 25 years – Grant Coates

There were a number of other members who also reached long service milestones this season. However because the Surfguard system will not recognise long service awards until members attain certain ages, they were unable to be recognised this year.

Club Governance

A number of changes were again made to the make-up of the Executive Committee following last year's AGM. This resulted in Committee meetings having an added degree of complexity this season as new members came to terms with their portfolios and obligations as Directors of the Club. Meetings of the Executive Committee were generally held on the second Thursday of each month. As in past years a range of minor business was also conducted off line via email.

A total of 11 meetings were held and the attendance record of the committee members is outlined in the table opposite. Continued improvement in the conduct of the meetings meant the time taken to transact monthly business was generally less than in previous years. The average meeting time over the course of the year was 1hr 36mins.

Again this year, the attendance record for the monthly meetings was less than ideal. A number of members exceeded the number of absences which can trigger a review of their position under the club's constitution. The absences highlight the ever increasing difficulties faced by volunteers who have to continually balance the needs of work and family with the legal and fiduciary obligations of being a member of the Executive Committee.

Committee Members	Attended	Absent

Tom Duffy	5	6
Clare Freakley	8	3
Simon Phin *	1	1
Mary-Louise Parkinson#	5	2

* Resigned August 2018

Appointed September 2018

EXECUTIVE OFFICER

In accordance with the constitution, the By-Laws were reviewed by the club's Governance Panel during the July –September period to confirm their on-going relevance. By-law 5 was also subject to some further changes in February. All By-laws, together with any proposed amendments, were subsequently submitted to the Executive Committee for approval. Once approved, action was taken to ensure current versions of all By-Laws were available on the club website. A summary of the By-Laws currently in force together with amendments made during the course of the year is set out in the table below –

No.	Title	Subject matter	Amendment
1	PATROLS	obligations of members in respect of patrols, including penalties for non compliance	Members in first 12 months of patrol subject to warning letter if a patrol is missed, other members required to undertake a make-up patrol. Other minor amendments.
2	FUNDING ASSISTANCE PROGRAM	requirements for club members receiving funding assistance for training activities related to surf sports competition	Amended to clarify assistance not automatically available, removal of involvement of Sports Panel in recommendation process, requirement to attend training sessions amended to regular rather than all, new show cause provisions in the event funding assistance agreement is breached.
3	CRAFT ALLOCATION PROGRAM	requirements for club members allocated craft for use in surf sports competition	New fee system based on age of member, requirement to attend training sessions amended to regular rather than all, new provisions to allow member opportunity to explain any breach prior to resumption of craft.
4	CLUB BLAZER	wearing of club blazer, including Australian Championship winners	Minor amendment regarding potential action for unauthorized inclusion of information on blazers.
5	CLUB CHAMPIONSHIPS	qualification requirements for club championships, including how club champions are determined in both senior and junior competition	New provisions to allow discard of worst result when multiple rounds held, other minor consequential changes.
6	PHOTOGRAPHS & CLUB HONOUR BOARDS	outlines which photographs are to be displayed in the club premises and which club member achievements will be recognised by way of honour boards	Minor amendments to include reference to Freshwater room and Barney Mullins Ocean swim.
7	COMPETITION PRIZEMONEY & PRIZES	how prize money and prizes won by members in competition is to be dealt with	
8	PROCEDURES FOR MEETINGS	procedures for meetings	
9	MEMBERSHIP CRITERIA AND FEES	guidelines for categories of membership and payment of membership fees	Minor amendment to clarify that 50% of normal fee paid for those eligible for non-local membership.
10	CLUB AWARDS AND OTHER FORMS OF MEMBER RECOGNITION	guidelines for various club awards	Inclusion of provisions establishing new Awards panel to deal with club service awards and clarification of various SLSA Service and Related awards for which the club will apply on behalf of members.
11	CLUB OFFICERS AND OTHER POSITIONS	clarification of officer and other positions including duty statements for all positions	Clarification of provisions dealing with eligibility for Building Panel and discretion of EC re appointment of members, new provisions regarding Awards Panel duties.
12	JUNIOR ACTIVITIES	management and operational matters concerning junior activities	Minor amendments to clarify existing provisions.
13	CODE OF CONDUCT	code of conduct for members including child protection procedures	Minor amendments to clarify existing provisions.

In keeping with the provisions of the By-Laws, a number of panels operated throughout the season. All generally operated on an as needs basis with some more active than others. This year also saw the introduction of a new Awards Panel. The panel was responsible for the identification, review, assessment and subsequent recommendation to the Executive Committee of nominations for club service awards. The panel system is an integral aspect of the club's overall governance arrangements. They are designed to assist the Executive Committee to better meet its obligations to the members. It is therefore important for the on-going vitality of the club the panels continue to undertake the tasks they have been given responsibility for. Unfortunately this season some panels did not function as well as might be expected. Hopefully this will be rectified in the coming season.

EXECUTIVE OFFICER

The membership of the various panels was as follows –

Governance Panel – Wayne Freakley, Alan Burns, Kevin Crow, Paul McGettigan, John Swan & Stephen Bennett

Honours Panel – Wayne Freakley, Ross Parry, David Torevell, Steve Davis & Stephen Bennett

Surf Sports Panel - Kevin Crow, Michael Kirkby, Lindsay Davis, Blake Walmsley, Jane Freakley & Bob Evans

History Panel – Wayne Freakley, Ross Parry, Eric Middeldorp & Stephen Bennett

Building Panel – Phil Fagan, Alan Burns & Stephen Bennett

Finance Panel – Chris Tyrrell, Steve Davis & Stephen Bennett

Awards Panel – Lindsay Davis, James Crittenden, Ben Kirkby, Sue Walmsley & Ian Cradock

In order to improve transparency and consistency in the use of club funds and to ensure compliance with relevant financial obligations, a review of the club's financial procedures was commenced during the season. This is intended to be an on-going review which will examine a range of processes and procedures associated with the receipt, safekeeping, investment and expenditure of club funds. The first part of the process has seen the introduction of new financial expenditure procedures which deal with a range of issues including –

- Delegations to incur expenditure
- Expenditure approval procedures including the obtaining of quotes
- The approval of authorised providers of goods and services in lieu of seeking quotes each time goods are required or services needed
- Establishment of trade accounts and the authorisation of members to utilise the accounts
- Provisions for the on-going review of the procedures.

Membership Records

Work has continued throughout the season to bring membership records up to date in respect of –

- years of service
- official positions held both within the club and other lifesaving entities
- club awards and other forms of recognition
- competition results for championship and other special events

As has been previously noted, it is a time consuming task and it will take some years to complete.

Unfortunately in years past, maintaining clear and accurate membership records was not necessarily given a high priority. This has resulted in many information gaps in the areas of positions held, awards and recognition and competition results.

During the season, SLSA placed on-line a record of the medal winners at all Australian Championships dating back to the 1919/20 season. Work was undertaken during the year to capture that information and as a result, a list of all medal winners in both Open and Masters competition has been completed. Again, because of lack of information on both the SLSA website and in previous club annual reports, some information is missing. A list detailing the number of medals won by members over the past 100 years at Australian Championships is included at the end of the Annual Report. It is not necessarily 100% accurate but is close. If anyone believes the information relating to them is incorrect I encourage you to contact me so the record can be corrected.

Information gleaned from the records which might be of interest to members include:

- ♦ Most gold medals won representing the club in Open competition – Chris Tyrrell - 14
- ♦ Most gold medals won by a female member in Open competition – Clare Freakley - 8
- ♦ Most individual gold medals won in Open competition – Michelle Nunura (nee Garnett) - 5
- ♦ Most medals overall in Open Competition – Chris Tyrrell - 26
- ♦ Most Masters Gold Medals – John de Mestre – 16
- ♦ Most Masters Gold Medals won by a female – Kim Low – 1
- ♦ Most individual gold medals in Masters competition – Alan Burns – 8
- ♦ Most medals overall in Masters Competition – John de Mestre - 39

A summary of achievements of the various disciplines in open competition over the years is set out in the table below –

	Gold	Silver	Bronze	Total
Boats	18	12	10	40
Beach	18	18	3	39
Board – incl board Rescue	6	6	8	20

Life Saving	5	2	6	13
March Past	12	11	7	30
Ski	8	2	4	14
Swim – incl. belt, Taplan, Cameron relay	20	19	22	61
R&R	21	13	11	45

EXECUTIVE OFFICER

Water Safety Policy and work health and safety

The club continues to utilise the simplified combined risk assessment form for all water based activities. While overall compliance with SLSA & legal requirements is generally good, there were a number of issues in the first part of the season. These were eventually remedied as the season progressed. The rule changes regarding use of the gym seem to have been taken on board by the members and compliance was high.

A number of members suffered minor injuries during the course of the season while involved in club related activities. This resulted in claims being lodged with ICare. All claims were accepted and the members reimbursed for any relevant medical expenses.

The area of work, health and safety as it applies to club operations remains an on-going concern and more work is needed in this area. All members need to be vigilant to ensure safety protocols are being followed. Non-compliance with SLSA procedures and WH&S legislation has potentially significant ramifications for both the club and individual members, particularly in relation to insurance cover.

Club Historical Records – formation date of club confirmed

Just prior to the annual report being sent to the printers, a substantial number of historical newspaper items relating to the club were discovered within the archives of the Australian National Library. One item is of particular importance as it at last confirms the club's formation date.

It has long been thought the club was formed in early December 1908. The actual date has however always proved elusive. The item, which appears in The Star Newspaper of Tuesday 1 December 1908, notes a meeting was held on Sunday 22 November 1908 in Undercliff Road for the purpose of forming the club. At the meeting a committee was formed, joining fees set and 100 members enrolled. A further meeting was held at a hotel in Manly the week after followed by a general meeting on the beach on the 29 November. Interestingly, the persons noted as the club's initial President and Secretary do not match our current official records.

General Administration

Administrative obligations continue to increase in number and complexity and the associated paperwork continued its growth. Each of the levels of surf life saving administration – Branch, State and SLSA – has specific requirements in relation to the provision of reports and information. There are also a range of government agencies which, in accordance with legislation, the club is obliged to either report to or maintain records – Department of Fair Trading, Department of Industry, Australian Charities and Not for Profit Commission, NSW Children's Guardian & ICare to name a few.

With Michal Brenchley now working one day a week, the full time staffing of the office has greatly assisted in dealing with the various administrative demands. Michal's engagement has also meant Gayle Taylor can spend more time on facilities hire related issues which remains a vital source of club revenue.

The Surfguard system continued to be used to send out routine and special notices to the general membership electronically. A physical mail out continues to be used for those members without email addresses. We have continued to push the on-line membership renewal process however problems still arise because some members do not follow the instructions properly.

Special Thanks

As always I have to pay special thanks to Gayle & Michal for their on-going support over the past 12 months. Between them, Gayle & Michal attend to the vast majority of administrative tasks associated with the operation of the club, including responsibility for functions and hall hire. Neither complains about any request made of them and they go about their roles with an ever present happy disposition. I could not undertake the role of Executive Officer without their support.

As always my wife Jane also deserves special thanks. She continues to accommodate the many hours I spend in "my office" pounding away on the typewriter and attending meetings on range of club related tasks. I could not do the job without her support.

Wayne Freakley,
Executive Officer

TREASURER

The 2018/2019 surf life saving season was again an exciting year for the Freshwater Surf Life Saving Club.

During the financial year ended 30th April 2019 Wayne Freakley and I in conjunction with the Finance Committee, Steve Davis & Steve Bennett commenced work on a formal document known as the Financial Controls Manual. The Financial Controls Manual will be a set of rules, guidelines, conditions and procedures associated with managing and controlling club funds. The document will provide present and future EC members with a guide as to their authority when considering expenditure, whom they can engage when appointing trades and if followed correctly will protect the individuals/ committee members against any undue scrutiny if questioned over any item of expenditure. The establishment of a document such as this is necessary to be as transparent as possible when controlling what are essentially members funds.

The 2018/2019 financial year was very much a "Business as usual" year. There was no significant expenditure on improving the club unlike the previous year as the committee agreed to have a year of consolidation in order to rebuild the general account that had been depleted over the past two seasons. I am happy to report that this strategy has been successful and the club is well geared financially for the next season.

It would be remiss of me to not mention the assistance provided to me by my wife Lisa Tyrrell. Lisa's skill set in relation to Bookkeeping and the Clubs online Accounting system is second to none. I'm not sure how to explain how much work she puts into the club and at all times does it with a smile recognising that we are a voluntary organisation and a great family club. I cannot thank her enough for her assistance.

Further thanks must be conveyed to Steve Bennett and again the former Treasurer, Steve Davis for forming the Finance Committee. Steve Bennett provides assistance in his professional capacity as an Accountant, donating his time to complete BAS returns and overseeing the end of year financial accounts. It is invaluable having this commitment and expertise at our disposal.

The Auditor, Ian Hillsdon has once again been a pleasure to work with. This is the second year we have been working with LNP Audit & Assurance and the team have delivered another quality Audit and at a price that has been discounted, recognising our value to the community. Thanks Ian for your hard work and delivering our figures in a timely fashion.

2018/2019 Financial Commentary

During the financial year ended 30th April 2019 the club experienced revenue of \$572,697 which is a reduction from the previous year of \$30,750 which could be attributed to a reduction in membership during this financial year, and a reduction in Grants awarded to the club.

After all expenses, the club traded at a small loss of (\$960) which is an improvement from the previous year where we posted a loss of (\$23,395). This 2018/2019 profit figure is adversely affected by the growing depreciation expense. During the last season the depreciation expense was \$57,224 and as this is not a cash expense and merely a reduction in asset values, the clubs actual profit is \$56,264 and is a solid result for the year.

Special recognition must be directed to our Sponsors, who have generously supported our 2018/2019 activities.

The **Harbord Beach Hotel** again contributed \$22,727 in sponsorship funds and this year we moved our "Freshies on Friday" (Friday Drinks) to the pub in appreciation for their long continuing support. The **Harbord Beach Hotel** has not only supplied general sponsorship which includes the Freshwater Masters Carnival, their generosity stems further into prizes for the Barney Mullins Ocean Swim and overall assistance with discounted supply of beverages for Freshy functions. Our long association with the pub continues to be very strong.

Healthy Care (Nature's Care) became a part of the Freshwater Family contributing a massive \$32,500 to our cause.

Natures Care's presence at the Freshwater Australia Day carnival, the Barney Mullins Ocean Swim and other events was much appreciated and we look forward to a long & fruitful association with them. We thank you for your generous contribution.

The **Freshwater Community Bank Branch Bendigo Bank** has again been a wonderful support in all areas of the club. They contribute funds for general sponsorship, assist with events such as The Barney Mullins Ocean Swim and are valued by

TREASURER

our Executive Committee and the club in general. Without the support of the **Freshwater Community Bank Branch Bendigo Bank**, many events held by the club would not be as successful.

Once again, Freshwater held the annual Australia Day Carnival, Boat Carnival, Masters Carnival, the nipper Fast and Furious (Bennett Board Carnival). Combined revenue was \$32,418 and after all expenses a profit from these activities was realised totalling \$8,326.

The annual Barney Mullins Ocean Swim enjoyed its best performance ever with record numbers. Revenue for the day totalled \$19,052 and after all expenses, the club enjoyed a profit of \$12,629.

In summary, the club while experiencing a reduction in revenue, traded with improved profits due to the cost controls implemented by all EC members. Freshwater enjoys a healthy cash position with in excess of \$420,000 in combined Term Deposits and Working accounts. The club has no liabilities and is well placed for the next season. It has been a pleasure working with and enjoying the support of the Executive Committee this year. The committee was truly united in its activities during the 2018/2019 season.

Chris Tyrrell
Treasurer

The following set of accounts prepared by our Auditor is substantial and can be difficult to understand if you are not well versed with Accounting procedures and standards. In order to summarise the club income and expenses I have prepared the following profit and loss statement in an easy to read format.

INCOME AND EXPENDITURE STATEMENT for the 12 months ended 30th April 2019

Paul McGettigan	Junior Activities Chairperson	Appointed 24 June 2018
Tom Duffy	Youth Development Officer	Appointed 24 June 2018
Clare Freakley	Youth Development Officer	Appointed 24 June 2018

Directors have been in office since the start of the financial year to the date of this report unless otherwise stated.

Principal activities and significant changes in nature of activities

The principal activities of Freshwater Surf Life Saving Club Inc during the financial year were to provide surf life saving services.

There were no significant changes in the nature of Freshwater Surf Life Saving Club Inc's principal activities during the financial year.

Review of operations

Total revenue declined by \$30,749 mainly due to decline in grants/assistance received. Operating expenses decreased by \$53,183 mainly due to decrease in repairs and maintenance and website expenses. As a result, the Association recorded a net deficit of \$961 (2017: \$23,395). Net assets decreased to \$767,442 reflecting the operating deficit result and net cash position increased by \$64,467 to \$422,368.

Signed in accordance with a resolution of the Board of Directors:

Director: 
Alan Burns

Director: 
Chris Tyrell

Dated this 3rd day of June 2019

FINANCIAL STATEMENTS

Notes to the Financial Statements

For the Year Ended 30 April 2019

The financial report covers Freshwater Surf Life Saving Club Inc as an individual entity. Freshwater Surf Life Saving Club Inc is a not-for-profit Association, registered and domiciled in Australia.

The principal activities of the Association for the year ended 30 April 2019 were providing surf life saving services.

The functional and presentation currency of Freshwater Surf Life Saving Club Inc is Australian dollars.

The financial report was authorised for issue by those charged with governance on 3 June 2019.

Comparatives are consistent with prior years, unless otherwise stated.

1 Basis of Preparation

The financial statements are general purpose financial statements that have been prepared in accordance with the Australian Accounting Standards - Reduced Disclosure Requirements and the Australian Charities and Not-for-profits Commission Act 2012.

2 Summary of Significant Accounting Policies

(a) Income Tax

The Association is exempt from income tax under Division 50 of the Income Tax Assessment Act 1997.

(b) Revenue and other income

Revenue is recognised when the amount of the revenue can be measured reliably, it is probable that economic benefits associated with the transaction will flow to the Association and specific criteria relating to the type of revenue as noted below, has been satisfied.

Revenue is measured at the fair value of the consideration received or receivable and is presented net of returns, discounts and rebates.

Membership fees

Annual fees for membership are recognised in the year that the revenue relates to.

Sale of goods

Revenue is recognised on transfer of goods to the customer as this is deemed to be the point in time when risks and rewards are transferred and there is no longer any ownership or effective control over the goods.

(c) Goods and services tax (GST)

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payable are stated inclusive of GST.

Cash flows in the statement of cash flows are included on a gross basis and the GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the taxation authority is classified as operating cash flows.

(d) Inventories

Inventories are carried at the lower of cost and net realizable value.

(e) Property, plant and equipment

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and impairment.

Items of property, plant and equipment acquired for nil or nominal consideration have been recorded at the acquisition date fair value.

Plant and equipment

Plant and equipment are measured using the cost model.

Depreciation

Property, plant and equipment, excluding freehold land, is depreciated on a straight-line basis over the assets useful life to the Association, commencing when the asset is ready for use.

FINANCIAL STATEMENTS

The depreciation rates used for each class of depreciable asset are shown below:

Fixed asset class	Depreciation rate
Buildings and improvements	5%-20%
Plant and Equipment	10%-33%
Heritage Centre	2.5%

At the end of each annual reporting period, the depreciation method, useful life and residual value of each asset is reviewed. Any revisions are accounted for prospectively as a change in estimate.

(f) Impairment of non-financial assets

At the end of each reporting period the Association determines whether there is an evidence of an impairment indicator for non-financial assets.

Where an indicator exists and regardless for indefinite life intangible assets and intangible assets not yet available for use, the recoverable amount of the asset is estimated.

Where assets do not operate independently of other assets, the recoverable amount of the relevant cash-generating unit (CGU) is estimated.

The recoverable amount of an asset or CGU is the higher of the fair value less costs of disposal and the value in use. Value in use is the present value of the future cash flows expected to be derived from an asset or cash-generating unit.

Where the recoverable amount is less than the carrying amount, an impairment loss is recognised in profit or loss.

Reversal indicators are considered in subsequent periods for all assets which have suffered an impairment loss.

(g) Cash and cash equivalents

Cash and cash equivalents comprises cash on hand, demand deposits and short-term investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

(h) Employee benefits

Provision is made for the Association's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits that are expected to be wholly settled within one year have been measured at the amounts expected to be paid when the liability is settled.

Employee benefits expected to be settled more than one year after the end of the reporting period have been measured at the present value of the estimated future cash outflows to be made for those benefits. In determining the liability, consideration is given to employee wage increases and the probability that the employee may satisfy vesting requirements. Changes in the measurement of the liability are recognised in profit or loss.

(i) New Accounting Standards and Interpretations

The AASB has issued new and amended Accounting Standards and Interpretations that have mandatory application dates for future reporting periods. The Association has decided not to early adopt these Standards. The following table summarises those future requirements, and their impact on the Association where the standard is relevant:

Standard Name	Effective date for entity	Requirements	Impact
AASB 16 Leases	1 May 2019	AASB 16 will cause the majority of leases and deemed leases of an entity to be brought onto the statement of financial position. There are limited exceptions relating to short term leases and low value assets which may remain off balance sheet. The calculation of the lease liability will take into account appropriate discount rates, assumptions about lease term and increases in lease payments. A corresponding right to use asset will be recognised which will be amortised over the term of the lease. Rent expense will no longer be shown, the profit and loss impact of the leases will be through amortisation and interest charges.	Freshwater Surf Life Saving Club Inc has an immaterial lease over its clubhouse. The adoption of AASB16 is not expected to impact the financial statements of the club as it is below materiality when using the cost method.

FINANCIAL STATEMENTS

2 Summary of Significant Accounting Policies

(i) New Accounting Standards and Interpretations

Standard Name	Effective date for entity	Requirements	Impact
AASB 15: Revenue from Contracts with Customers	1 May 2019	AASB 15 introduces a five step process for revenue recognition with the core principle of the new Standard being for entities to recognise revenue to depict the transfer of goods or services to customers in amounts that reflect the consideration (that is, payment) to which the entity expect to be entitled in exchange for those goods or services. Accounting policy changes will arise in timing of revenue recognition, treatment of contracts costs and contracts which contain a financing element. AASB 15 will also result in enhanced disclosures about revenue, provide guidance for transactions that were not previously addressed comprehensively and improve guidance for multiple element arrangements.	Annual Membership fees are recognised in the year that the revenue relates to. Grants are recognised in the period that the grant relates to. Management are not expecting there to be a material impact from the adoption of AASB 15 although disclosures may be amended.

3 Critical Accounting Estimates and Judgments

Those charged with governance make estimates and judgements during the preparation of these financial statements regarding assumptions about current and future events affecting transactions and balances.

These estimates and judgements are based on the best information available at the time of preparing the financial statements, however as additional information is known then the actual results may differ from the estimates.

The significant estimates and judgements made have been described below.

Key estimates - receivables

The receivables at reporting date have been reviewed to determine whether there is any objective evidence that any of the receivables are impaired. An impairment provision is included for any receivable where the entire balance is not considered collectible. The impairment provision is based on the best information at the reporting date.

4 Cash and Cash Equivalents

	2019	2018
	\$	\$
Cash at bank and in hand	122,368	57,901
Short-term deposits	300,000	300,000
	422,368	357,901

5 Trade and Other Receivables

	2019	2018
	\$	\$
CURRENT		
Trade receivables	25,056	30,158
GST receivable	-	8,775
Total current trade and other receivables	25,056	38,933

The carrying value of trade receivables is considered a reasonable approximation of fair value due to the short-term nature of the balances.

The maximum exposure to credit risk at the reporting date is the fair value of each class of receivable in the financial statements.

FINANCIAL STATEMENTS

15 Events after the end of the Reporting Period

The financial report was authorised for issue on 3 June 2019 by those charged with governance.

No matters or circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the Association, the results of those operations or the state of affairs of the Association in future financial years.

16 Statutory Information

The registered office and principal place of business of the association is:

Freshwater Surf Life Saving Club Inc

Kooloora Avenue

Freshwater NSW 2096

Freshwater Surf Life Saving Club Inc

Committee's Declaration

The committee declare that in the committee's opinion:

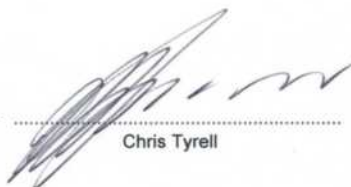

- the financial statements and notes, set out on pages 3 to 14, are in accordance with the *Australian Charities and Not-for-profits Commission Act 2012* and *Associations Incorporation Act 2009*, including:
 - (i) giving a true and fair view of the financial position of Freshwater Surf Life Saving Club Inc as at 30 April 2019 and of its performance for the financial year ended on that date; and
 - (ii) complying with Australian Accounting Standards – Reduced Disclosure Requirements, and the *Australian Charities and Not-for-profits Commission Regulation 2013*;
- there are reasonable grounds to believe that Freshwater Surf Life Saving Club Inc will be able to pay its debts as and when they become due and payable.

Signed in accordance with subsection 60.15(2) of the *Australian Charities and Not-for-profit Commission Regulation 2013*.

INDEPENDENT AUDIT REPORT TO THE MEMBERS OF FRESHWATER SURF LIFE SAVING CLUB INC

Opinion

We have audited the financial report of Freshwater Surf Life Saving Club Inc, (the Association), which comprises the statement of financial position as at 30 April 2019, the income statement, statement of comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information and the Committee's Declaration of the Association.

In our opinion:

1. The financial report of Freshwater Surf Life Saving Club Inc has been prepared in accordance with Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012* including:
 - (i) giving a true and fair view of the entity's financial position as at 30 April 2019 and of its performance for the year ended on that date; and
 - (ii) complying with Australian Accounting Standards – Reduced Disclosure Requirements (including Australian Accounting Interpretations);
2. We have been given all the information, explanation and assistance necessary for the conduct of the audit;
3. The entity has kept financial records sufficient to enable a financial report to be prepared; and;
4. The entity has kept other records as required by Part 3-2 of *Australian Charities and Not-for-profits Commission Act 2012*.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Group in accordance with the *Australian Charities and Not-for-profits Commission Act 2012* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES110 Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia; and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other information

The Directors are responsible for the other information. The other information comprises the information included in the annual report for the year ended 30 April 2019 but does not include the financial report and the auditor's report thereon. Our opinion on the financial report does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based upon the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Committees' Responsibilities

The Committee of the Association are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards – Reduced Disclosure Requirements and the *Australian Charities and Not-for-profits Commission Act 2012* and for such internal control as the Directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Directors are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Group or cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with Australian Auditing Standards, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Directors.
- Conclude on the appropriateness of the Directors' use of the going concern basis of accounting in the preparation of the financial report. We also conclude, based on the audit evidence obtained, whether a material uncertainty exists related to events and conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in the auditor's report to the disclosures in the financial report about the material uncertainty or, if such disclosures are inadequate, to modify the opinion on the financial report. However, future events or conditions may cause an entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Company to express an opinion on the financial report. We are responsible for the direction, supervision and performance of the audit. We remain solely responsible for our audit opinion.

We communicate with the Committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We are also required to provide the Committee with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

The engagement partner on the audit resulting in this independent auditor's report is Robert Nielson.

Statement by Committee in respect of fundraising appeals under the *Charitable Fundraising Act 1991 (NSW)* For the year ended 30 April 2019

We declare that:

- (a) the statement of comprehensive income give a true and fair view of all revenue and expenditure of Freshwater Surf Life Saving Club Inc (FSLSC) with respect to fundraising appeals;
- (b) the statement of financial position gives a true and fair view of the state of affairs with respect to fundraising appeals conducted by FSLSC;
- (c) the provisions of the *Charitable Fundraising Act 1991 (NSW)*, the regulations under that Act and the conditions attached to FSLSC's authority to fundraise have been complied with; and
- (d) the internal controls exercised by FSLSC are appropriate and effective in accounting for all income received and applied by FSLSC from all fundraising activity.

President:  Alan Burns

Treasurer:  Chris Tyrrell

Dated this 3rd day of June 2019

DIRECTOR LIFESAVING

Another patrolling season finished with our volunteers roving our beach for the last time on the 28th April 2019 for the 2018-19 season. Since our first weekend all our patrols have been on the beach through the worst and best of the weather handed to Freshwater, all to ensure the safety of all beach goers who join us in enjoying our gorgeous beach.

My first mention and biggest thank you goes out to all our patrolling members, new and old, who volunteered their time to their rostered, and substitute patrols and those extra volunteer patrols that made so much difference in the assistance of safe guarding our beach. With our clubs' number one priority to patrol our beach, without these individuals our club would not have been successful in upholding our proud record of *"No Lives Lost Between the Flags"*.

My next mention goes to our IRB 'Brains Trust' Team consisting of John Lo Schiavo, David Price, James Coates, Luke Jarman and James Crittenden. A team that was implemented last season, our IRB team has been invaluable to our patrols this season assisting with the strategic arrangement to ensure that every patrol had a IRB driver and crewperson. The role ensured that our team was dedicated to ensuring every patrol could fulfil our lifesaving agreement with an operational IRB; running IRB proficiencies

and new IRB award courses to all our members; ensuring that major events Mullins had adequate powercraft support; as well as fulfilling our obligations to provide support at both State Championships and Australian Championships.

Patrols

The season of 2018-19 has been an incredibly busy season with an overall beach attendance of 341,946 - a beach attendance greater than the 2017-18 season by 54, 971 people!! The numbers were visible every weekend with the carparks overflowing, assorted nipper colours on the beach eager to start their Sunday morning activities and regular beach goers attending with their families.

As a collective, our combined patrol hours over the season amounted to 9,707.72! Though these numbers were down from last season's hours of 10, 129, they do not include the carnival water safety patrol hours, nor any hours our members may have volunteered at other clubs.

During these 9707.72 hours, our members conducted 38 rescues. Of these 27 utilised a rescue tube or board, 4 were IRB and 6 required no equipment. In addition, 1 rescue was

DIRECTOR LIFESAVING

conducted and recorded by the SNB Support Ski 3 housed at Freshwater SLSC. This is a reduced number from previous seasons, attributable to the increased preventative actions by our patrolling members that totalled 7,220 - greater than the two previous seasons by almost 5,000 preventatives.

In addition to these rescues we attended to 120 first aid incidents, reunited 38 lost children (inclusive of the occasional lost parent) with their families, performed 2 spinal management rescues and attended to 4 incidents requiring an ambulance. Importantly we recorded zero lives lost on our beach.

Of course a special thanks must go to our Patrol Captains, who are also the first in attendance and last off the beach at any given patrol shift. The Captains were **Nigel Thomas** (Patrol 1), **Luke Jarman** (Patrol 2), **Peter Block/Marc Gunning** (Patrol 3), **Mark Gilbert** (Patrol 4), **Ian Hills** (Patrol 5), **James Crittenden** (Patrol 7), **Paul Lemlin** (Patrol 8), **Tristan Godoy** (Patrol 9), **Michael Wright** (Patrol 11), **Greg Gardner** (Patrol 12), **Kelly Dobrow** (Patrol 13), **Ben Hildyard** (Patrol 14), **Dierk Hartmann** (Patrol 15) and **Alexius Chan** (Patrol 16). This season we saw Brendan Quail step down from his role as Patrol Captain of Patrol 10, allowing for **Kim Cook** mentored by Sam Di Sano to step up and look after this patrol. All these members have been instrumental in my role this season and for which I continue to thank them for their ongoing patience, expertise and support as Patrol Captains.

Patrol Audits

Audits—Our patrols use this occasion to showcase their lifesaving skills and teamwork. Our Sydney Northern Beaches branch auditors approach in their unsuspecting blue shirts and clipboards at any occasion. As part of Surf Life Saving Sydney Northern Beaches (SLSSNB) Patrol Audit Program, Freshwater was audited 4 times throughout the season. These audits are to ensure that we as a patrolling club are upholding our lifesaving agreements with regards to our personnel, our operating standards and competency in resuscitation and rescue availability.

Patrol	Patrol Captain	Date	Score
Patrol 2	Luke Jarman	16/12/2018	343/350
Patrol 5	Ian Hills	23/12/2018	346/350
Patrol 6	Deandra Godoy	28/01/2019	348/350
Patrol 4	Mark Gilbert	23/03/2019	334/350

Education

At Freshwater, we have been incredibly fortunate to attract such consistent numbers of new members eager to join our patrol as new award holders. Without the tireless efforts of our education team, led by our new Chief Instructor Jacqueline Phillips, we would not have such a successful range of skills and expertise on our patrols. Jacqueline and her team have trained 59 new Bronze Medallion members and 34 new Surf Rescue Certificate members who have brought so much enthusiasm to begin their patrols it has constantly kept our patrols engaged. With John Goldrick's step down from the role of Chief Instructor at the conclusion of last season, and Jacqueline's smooth stepping into the role, I would like to thank Jacqueline for all her assistance in supporting me this season and commend her on her achievements obtained in her first season.

Equipment

This season Freshwater SLSC was able to purchase two new defibrillators, one to accompany our secondary first aid kit within the patrol room and another to be located on the external premises of the clubhouse to support our club for any emergency call outs throughout the off-season. We purchased these new items using the Beach Safety Equipment fund. Purchasing the additional defibrillator was to ensure our club along with the other SNB Surf Clubs, will be able to provide the emergency support even whilst our flags are down, not only for our members but for members of the public. We hope this will encourage and inspire the council to support our Northern Beaches Surf Clubs to follow suit.

This season also saw the continued push by SLSA to replace paper logs with the 'Patrol Ops App' in order to sign on and sign off, in addition to recording patrol statistics. This season we saw greater positive feedback than the previous season for the use of the 'Patrol Ops App'. Our patrol captains were able to use this app on their own smart phones in order to note hourly statistics.

Patrol 3

Another strong season for Patrol 3 as we welcomed a number of new bronzies and SRCs alike. We have a tremendous group of young (and older) members who continue to preserve our key callout of "No lives lost between the flags".

Our key highlight for the year was the late shift on the Australia Day Carnival weekend. As the main competition wound down we had lost children, frantic parents and an elderly gentlemen who suffered a mild seizure/fit right on knock off time. Huge thanks to Rachel Needham (a new addition this year who has seamlessly jumped in as our star first aider) who cared for the gentlemen and waited with him until his partner was comfortable for him to return home.

We also acknowledge the key efforts of vice captain and all round good bloke, Marc "Bunpa" Gunning who finishes up this year after many years' service to both Freshwater & Northcliffe SLSC. Congratulations Marc!! We will miss your years of experience and wish you well in patrolling retirement and now sole focus on ski training

Patrol 3 looks forward to start of summer and many more rewarding hours on the beach!

Peter Block

Patrol 4

Patrol 4 enjoyed another great season on the beach at Freshie with no lives lost!

We saw some comings and goings this year with long termers John Boakes, Blake Dwyer and the Marcers leaving the club to go onto bigger and better things. However we were able to welcome 2 new Bronzies Isabelle and Jade and SRC's Luke and Fin. All are a great addition to the team and all have made a significant contribution. Luke and Fin competed with some success in First Aid Comp and Isabelle obtained her IRB Crew Award in her first year as a Bronze!

Sam Di Sano made a particular contribution as a great Vice Captain as well as helping a new Patrol Captain on Patrol 10 get up and running!

We were also particularly proud of Sam Parker and Seb Di Sano (even though he switched patrol ... we still claim him!) who both gained entrance into degrees in Medicine this season. We hope they will continue to make contributions to keeping Freshie safe in years to come.

Lastly we were pleased to score highly in the Patrol Audit this year, perhaps feeling a little disappointed being denied a point for not performing a jaw thrust manoeuvre on an awake patient as we were concerned it would hurt the patient and another point for taking 10 sec to apply the defib and so were denied a perfect score ... What might have been ...

Looking forward to another great year on the beach in the 19/20 season

Mark Gilbert

Patrol 6

This season was my third season as patrol captain for Patrol 6, we said goodbye to our former Rookie Patrol Person of the Year Kim Cook so she could lead Patrol 10 for her first season as a Patrol Captain. In return, we received the father/daughter duo Oliver and Olivia and newbie Tony as our new bronze members. All three have been so enthusiastic to attend patrols, rove the beach, stand guard at our flags and take part in our the courses our education program has to offer. These individuals have been an incredible addition to our team, additions we hope to continue in coming seasons for Patrol 6. This season our patrol undertook its first major rescue and first aid management of a spinal injury that occurred on our final patrol of the season. Our patrol was able to support our patient until the ambulance arrived. I couldn't be prouder of the teamwork our patrol showed. I would like to offer a huge thanks to my patrol along with our local council lifeguards for their continued support and collaboration; and look forward to future seasons!!

Deandra Godoy

DIRECTOR LIFESAVING

Patrol 7

Patrol 7 had a successful (& at times busy) 2018/19 season! The majority of the team have been together a while now with friendships formed, but the new face of Tania was warmly welcomed & supported. The enthusiasm & commitment shown by all continues to make it a pleasure to lead this great team, that never forgets to have fun! In particular, I would like to commend the whole team for the Xmas day rescue of mother & daughter swimming outside the flags which required an ambulance. The teamwork and professionalism shown led to the successful outcome. Of course, when it was a warm day, with a busy beach when we provided water safety to bronze assessments of over 70 candidates! (Not once... But twice! In the season). Congratulations & thanks for an awesome season!

James Crittenden

Patrol 8

Easter weekend saw the season wrap up for patrol 8. While we've had some really busy days in terms of attendance, it's nice to be able to report we have had relatively few incidents to deal with this year – which is great. The team put a huge emphasis on observation and prevention which has clearly paid dividends. Always better to ensure people don't put themselves in risky situations, than have to rescue them when they do! Great to be able to retain pretty much the whole team from last season, and they work so well as a self organized unit, it really makes the job of the patrol captain far easier. That coupled with the high level of advanced awards means the workload gets shared around – and we never find ourselves lacking in any skill areas. The combination of surf skills, youthful fitness and exuberance and a few fairly mature heads makes for a good mix and ensured we are able to handle demanding surf conditions and well as the occasional complicated situation. We will sadly be losing a couple of the team next year who are heading interstate to study – we'll miss you guys! Otherwise hoping to see most of the team back down at Freshie for next season – Big thanks to the whole team for your professionalism, commitment and hard work over the last 6 months – enjoy your break.

Paul Lemlin

Patrol 9

Here's to another successful season at Freshwater, Patrol 9!! With 1308 preventions and 4 successful rescues, we have continued to wear our red and yellow uniforms with gratification and pride and I hope we will be able to continue these values in future seasons to come. We have taken part in achieving the overall goal of Zero Lives Lost at Freshwater and worked collaboratively with other patrols in addition to our council lifeguards. It has been my pleasure to have volunteered with you all this season, and I do look forward to seeing you back on the sparkling golden sands and in the water!!

Tristan Godoy

Patrol 10

This has been a year of re-building and growth for patrol 10 after farewelling Patrol Captain Brendan last season and patrol regular Mike Brace stepping back to set up his own business and spend time with his new baby. In their place I took over as Captain and we have welcomed many new SRC and bronze members and also seen several juniors graduate from SRC to Bronze Medallion holders. That coupled with the experience of Michael and Bryn has led to patrol 10 becoming a formidable team. It has been great to see our patrol numbers grow as the season progressed. We have a great mix of skills in the team both on the beach and in the water with surf boat and ski paddling competitors, first aid skills and Taylor's legendary baking! We are a young patrol and I look forward to building experience and growing together next season.

Kim Cook

Patrol 11

It was a comparatively quiet season for Patrol 11 compared to last year. We had a sum total of zero ambulance call outs. We were also mostly blessed with fine weather and benign surf conditions.

With some exceptions for members who appear to have had various personal issues keeping them from patrolling, attendance has been good throughout the season. Another season without an audit so we get the default 100% score there too.

A number of our members stepped up and got their IRB crew awards. It makes a huge difference having a pool of crewies to draw on.

One, who shall remain nameless, even did advanced first aid in the hope of a silver medallion.

Michael Wright

Patrol 12

We were thankful to have a relatively easy-going season without major incident. The entire patrol did an amazing job remaining vigilant and keeping a close eye on beach with several Saturday afternoons providing challenging conditions. Across each Patrol we pro-actively performed plenty of preventative actions, with a couple of minor rescues and our regular share of first aids. Mainly surfers with a few sore heads and the usual fin chops, one gentleman being very lucky to walk away from a wave dump into a sandbank.

We welcomed a couple of new members into our team - SRCs and Bronzies with some members also making the additional effort to gain the IRB Crew award. Congratulations and great to see. Special thanks to David Price, James Crittenden, Luke Jarman, John Lo Schiavo, Jonathan McKenzie and others who gave up their personal time to do additional patrol Hours as our IRB drivers so we could keep the beach and public safe. Michael Wright and Patrol 11 continuing to provide a smooth handover to our afternoon patrol and Kelly Dobrow who took one of my patrols whilst I was on leave. These actions represent the awesomeness of our club where members go the extra mile to support each other through team work, selflessness, camaraderie, dedication and community spirit. Same goes to our Council Lifeguards who do such a great job working with us to ensure no lives are lost between the flags at Freshie. Overall a very successful season. Looking forward to seeing you all on the beach next season. Until then best wishes. Thank you.

Greg Gardner

Patrol 13

Patrol 13 has had a great season for 2018/2019. We have had only a handful of minor abrasions requiring bandaids or bandages, a lost child and even a lost parent. The weather on most patrols was great with our last patrol serving up some very cold and windy conditions which cleared the beach and the water allowing us to play a bit of 'hop skip jump' to test our skills and pass the time. All of the patrol members were enthusiastic and we were fortunate to have an influx of new SRC members who were the first to volunteer to do a roving patrol. With SRCs now being qualified in radio, 3 new SRC members were able to radio for assistance when they noticed 3 members of the public experiencing some difficulty in the waves just off the pool. They did a great job of talking the group into the rocks whilst the IRB was launched and other patrol members were dispatched to provide assistance. All of the swimmers made it safely to the rocks and were assessed and released. Thank you to all patrol 13 members for your continued diligence in attending patrol (most of you in the correct uniform) and helping Freshwater continue the tradition of 'no lives lost'.

Kelly Dobrow

Patrol 14

We were lucky on Patrol 14 to have a very benign season with only 2 days of dangerous surf and hence only a few rescues, despite several false alarms, literally from the pool and metaphorically on the beach. We were also lucky not to have our usual allocation of rainy days, for which we were grateful. Once again, the team was proactive, professional and worked well together, as well as having plenty of laughs. We had a few go to the Aussies, one trying out for the Australian rowing team, one become a dad and one sail to the Arctic. Looking forward to next season!

Ben Hildyard

DIRECTOR LIFESAVING

Patrol 16

Patrol 16 completed season 2018-2019 with no fatalities. However, the Patrol did engage in a few rescues, multiple preventions and medical assistances. Being a volunteer organization, it is pleasing that Patrol 16 members are vigilant in their lifesaving competencies and ensuring that despite work and family commitments, that we had a complement of personnel who actively participated in conducting the patrol.

Thanks of course goes to Patrol 16 itself (Michael, JP, Jim, Dave, Victoria, Jules, Tahlia, Julia, Tanya, Mark, Leon, Gabby, Ben, Lachy, Dan and Joe) for making the Patrol experience stimulating and rewarding.

A well balanced patrol of IRB, Board, tube, medic, resus, coffees and overall inclusive beach management has resulted in another successful season.

Thanks also to James Crittenden, Tom Duffy, Dierk Hartmann, John Lo Schiavo and the professional lifeguards for providing the additional support and/or training to bolster Patrol 16's competencies.

Alexius Chan

LIFESAVING AWARDS

Every season it is incredibly difficult to decide the individuals most deserving of the following awards, and though we can only select a few individuals to award for their service to the patrols this season it is not to say that the efforts of all our patrol members are unnoticed. Though we will celebrate the following individuals, we will also celebrate the achievements of all our members who have mentored, role modelled, and led teams to ensure the very best values are promoted on our beach.

Patrol Person of the Year

David Price

42.5 rostered, 12.75 substitute,
63 volunteer, 16 water Safety = 133.25 hours

David currently holds his Bronze Medallion, Advanced Resuscitation Techniques Certificate (ARTC), First Aid Certificate, IRB Crew Certificate, Silver Medallion IRB Driver Certificate, Silver Medallion Beach Management Certificate, Training Officer Certificate, Rescue Water Craft Operator Certificate, Pain Management Certificate and Spinal Management Certificate.

David is currently the Vice Captain and IRB Driver of Patrol 14 and has always been more than happy to step in to fulfil the role of Patrol Captain when required. David has fulfilled all his patrol obligations above and beyond with 42.5 rostered, 12.75 substitute, 63 volunteer hours, 15 water safety hours totalling to 133.25. This is 54 hours greater than last season and over three times the amount of the average rostered patrol.

David fulfils his club patrol obligations in addition to obligations to our branch office as a RWC Driver for the Support Ski 3 housed at our club. David is a consummate professional, eagerly taking the boat out in good and bad weather, small and large surf, checking for potential danger to beachgoers. David has continuously mentored the younger patrol members on his patrol as well as the others that he volunteers on, giving his time out generously to train those members interested in obtaining their IRB Crew Award.

It's clearly evident that the Price family is leading the way as role models for our club providing every operational support in our first line of business in the safeguarding of our beach. We, as a club have come to recognise David and his daughter Caitlin with stepping up and filling in any role in order to support our club to reaching its greatest potential on the beach.

Youth Patrol Person of the Year

Caitlin Price

39 rostered, 7.5 substitute,
16.5 volunteer = 74 hours

Caitlin is a quiet achiever who has become a patrol member we have relied on heavily when attending to patrols. Since her achievement of Rookie Patrol Person of the Year in 2018 her achievements have not slowed down. She currently holds her IRB Crew Certificate, Spinal Management, Advanced Resuscitation Techniques and First Aid Certificate. Whilst assisting in the water safety of Gold Medallion earlier this year, she has already set the goal in seeking to obtain her own Gold Medallion Certificate. This year alone Caitlin has obtained a total of 74 patrol hours, an additional 26 hours than she achieved last season and almost double the average rostered hours for any one of our members.

Rookie Patrol Person of the Year

Alexander Needham

13 rostered, 13.83 volunteer, 14.75 water safety = 41.58 hours

Xander obtained his bronze medallion last November and since this time he has made the best of our education training programs and has obtained his IRB Crewperson's award within a month of gaining his Bronze. He has been a great addition to his patrol under the guidance of Peter Block (Captain of Patrol 3) and on various events that have required water safety.

LIFESAVING AWARDS

IRB Driver of the Year

James Crittenden

36.75 rostered, 29 substitute, 23.5 volunteer,
30.02 water safety = 119.27 hours

James is a well-recognised member in Freshwaters patrols and is no stranger to the achievement of the IRB Driver of the Year. To award this to James this season can only be the start in recognition of his time, energy, and enthusiasm that he has for the club. His additional volunteer and water safety hours have always been for the operational support of our club on the IRB to fulfil patrols obligations or water safety requirements. The 120 hours achieved by James only notes his recorded hours of his time at the club. We have come to know James to enthusiastically encourage and train new members throughout IRB courses and mentor his newly assigned youth when captaining his patrol. Congratulations James, a well-deserved achievement!

Patrol of the Year

Patrol 7- Patrol Captain James Crittenden

Patrol of the year is awarded each year to the patrol who demonstrates the highest standard of surf skills, character and team work. Main considerations for the award are the overall conduct of members whilst on patrol, new awards, patrol attendance and uniform compliance. This award is always closely contested amongst the patrols. Patrol 7 has been led successfully by Patrol Captain James Crittenden. Patrol 7 has sustained a low number of 'No Shows' at 1.34%, the lowest amount out of all the patrols; the highest amount of attendance hours of 608.41; the most rescues at 10 and a total recorded preventatives of 795. In addition to this they have always arrived early on the beach in time for the morning set-ups and consistently worked in a collaborative approach with our council lifeguards who have also praised Patrol 7 for their assistance. No audits were conducted by our branch of Patrol 7 but there is no doubt they would have achieved a great result. Congratulations Patrol 7!!

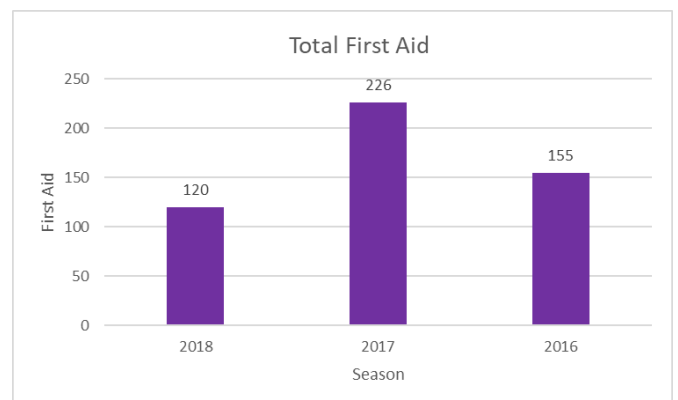

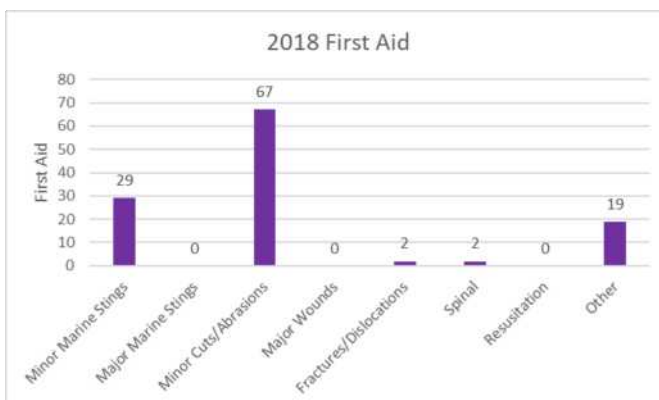

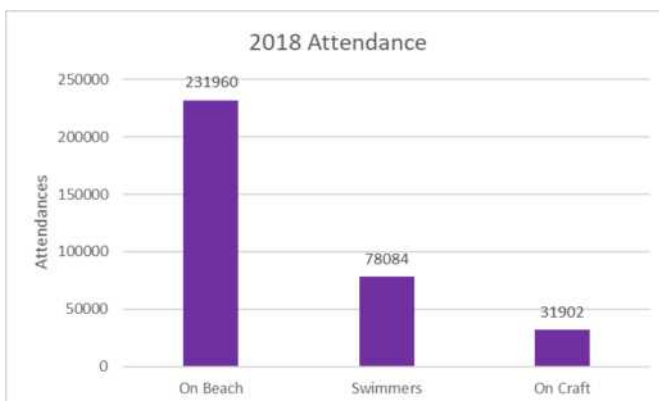

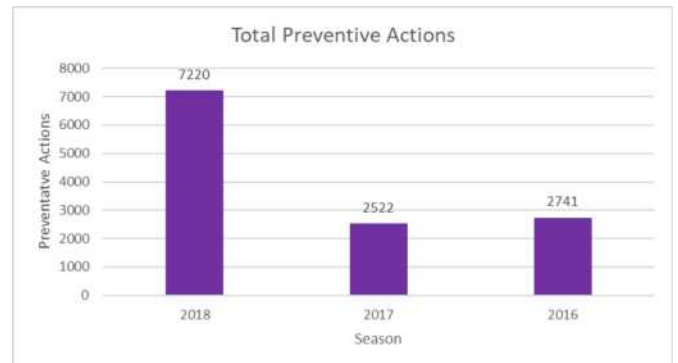

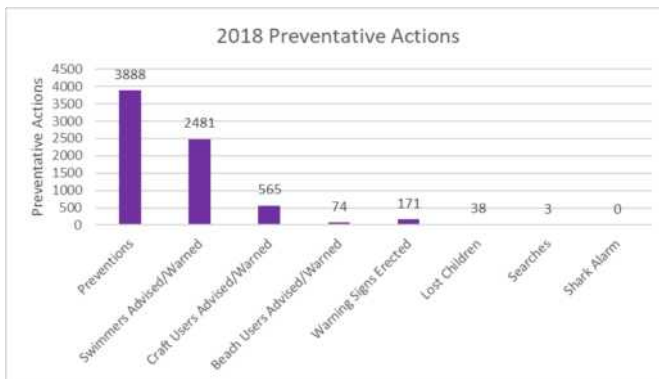

DIRECTOR LIFESAVING

Quick Statistics

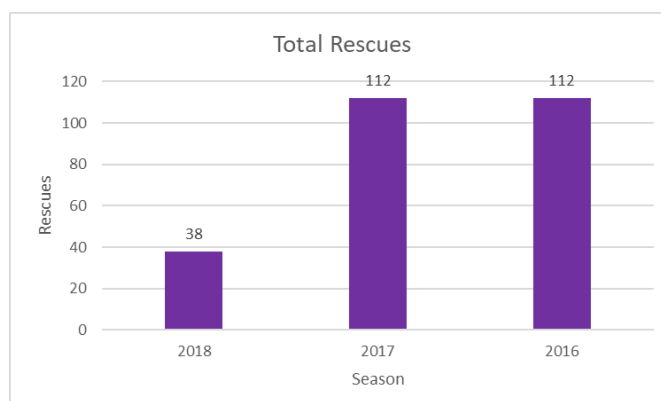

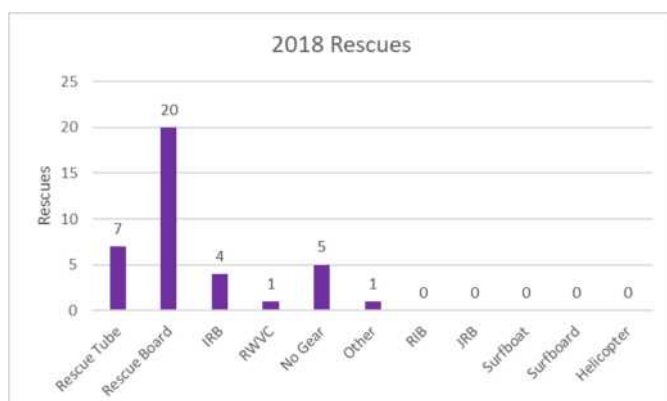

341,946 recorded total beach attendance during the season
 9707.72 combined patrol hours completed by patrolling members in 2018/19 season
 7,220 Noted preventatives
 343 rostered patrolling members at the end of the 2017/18 season (excluding patrol floaters)
 38 rescues
 120 attended to first aid incidents
 38 Lost Children
 2 Spinal Management incidents
 4 Ambulances Called

Patrol Statistics 2018/19 Season

DIRECTOR LIFESAVING

Patrol Statistics 2018/19 Season Cont'd....

Final Word

Thank you to all our patrolling members - your efforts and assistance have contributed to another successful year on our beach.

With my final thanks to the Council Lifeguards—notably Matt and Rhiannon— to their ongoing collaboration with our patrol members every weekend and assistance in safeguarding our beach. To Wayne Freakley for your assistance to ensure that the patrol logs that fell within my role had been attended to so I was able to focus on the duties required on the beach; thank you!

To our caretakers, George and Michelle Vella –You have done an amazing job over the last three years in your role, taking care of our club with the absolute pride in your work and attention to detail to ensure that we, as members and patrollers are able to enjoy the very best of the facilities we have to offer. Your names may not be noted on any club walls for your time in your role, but it is most definitely not to say that you ever went unappreciated in your role as caretakers. Thank you!

With the end of this season comes the end of my time as Club Captain. This has been a challenging yet fulfilling role where I have come to learn so much about our club and its members. I wish all the best to my successor in this role, and hope they enjoy their time as Club Captain as I have.

I hope to see you all next season down on the beach.

Deandra Godoy
Director of Lifesaving

Freshwater Education, Assessment and Training (FEAT) Report

In my first season as Director of Education, the first and most important part of this report is to thank my mentors John Goldrick and Lindsay Davis – previous Directors of Education, for not only their support but the wonderful job they have done establishing a team of such dedicated and committed trainers for Freshwater SLSC. Without the FEAT team, Freshwater SLSC could not have such a highly qualified contingent of proficient patrolling members or successful competitive team. I would also like to make a special thank you to Belinda Dobson for all her help with everything to do with Surf Life Saving at the club, branch, state and national levels and to thank Gayle Taylor and Michal Brenchley whose administrative help while I was learning the ropes and ongoing support have made a big job much more manageable.

This year across the club we attained 200 awards and a summary of the awards achieved this year includes:

- 18 Advanced Resuscitation Techniques
- 59 Bronze Medallion
- 34 Surf Rescue Certificates
- 9 Spinal Management Awards
- 28 First Aid Awards
- 3 Silver Medallion IRB Driver
- 30 IRB Crew
- 4 Silver Medallion Beach Management
- 4 Silver Medallion Aquatic Rescue
- 7 Silver Medallion Advanced First Aid
- 2 Rescue Water Craft Operator
- 1 Probationary Trainer
- 1 Training Officer IRB

Proficiencies is one of our biggest tasks and this year we ran 9 formal proficiencies (plus some special ones) for Bronze Medallion, Advanced Resuscitation Training and Surf Rescue Certificate for over 370 patrolling and competition members. As the season progressed the numbers of members increased for each date with the peak being 2 sessions where 65+ members were assessed in a day. A really big thank you to our delegates this year, those people who aren't formally qualified as trainers or assessors but put their hands up to help with proficiencies on the day. Your efforts are greatly appreciated and I hope you'll be back to help us again in the 2019-2020 season. Thank you to Alex Malm, Ben Chalmers, Deon Rowe, Gregg Slater, Ian Cradock, Lucas Phillips, Stephen Phillips, Marcel Bick, Mark Gilbert, Nathan Smith and Shanny Dyer.

Proficiencies were also undertaken for IRB Crew (61) and Drivers (25), Spinal Management (59), Silver Medallion Aquatic Rescue (6), Rescue Water Craft Operator (8). We also had 6 members undertake their Gold Medallion Proficiencies. As the pinnacle of the surf rescue awards, it is a challenging award, with the proficiency requiring candidates to undertake both a physical component and a complex rescue scenario with CPR and first aid skills required. Congratulations to Deandra Godoy, Ian Hills, Adam Phillips, Lucas Phillips, Matthew Chapman and Jason Gard.

Our ability to maintain such a high level of training for new members (SRC and BM), and ongoing attainment of higher awards (eg First Aid and ART) and qualifications for Freshwater members is only possible because of the commitment and time generously volunteered by our trainers, some of whom also further contribute their time and skills as assessors and course facilitators.

To be a trainer for SLS there is a intensive training course and this year we had Andrea Malm endorsed as a probationary trainer, Rachel Needham has joined us to help with training and James Crittenden was endorsed as a Training Officer for IRB. We are also very privileged to have Ben Chalmers, Kelly Dobrow, Wal Dobrow, Jonathan Farrell, David Torevell and Cheryl White who achieved their update in Certificate IV in Training and assessing this year as part of our team. And a special congratulations also to Lindsay Davis who is now also the Deputy Director of Education for Sydney Northern Beaches branch.

The FEAT team also participated in community CPR training in collaboration with Freshwater Community Bank and thanks to Emily Lemlin, Kelly Dobrow and Deandra Godoy for volunteering their time to do this.

DIRECTOR EDUCATION

Congratulations to all members, both new and old, who obtained a new award this year

18 Advanced Resuscitation Techniques

Under the expert training of Lindsay Davis, we ran 2 courses in ART this season, the first in the off season. We also had members gain their ART through SLSNSW or other clubs. These people take leadership roles on the beach in advanced resuscitation and we really appreciate them taking the time to gain this high level qualification.

59 Bronze Medallions

We ran 5 Bronze groups this year, co-ordinated and led by Steve Davis and Lindsay Davis. There were 3 traditional format 5-6 week courses involving a Saturday water session and a week night practical session led by Steve. We also had 2 intensive SRC to Bronze groups, led by Lindsay Davis, which was a fantastic outcome in terms of progressing 20 of our younger members to full patrolling duties.

Towards the end of the season a number of Nipper parents undertook the full Bronze Medallion to ensure we have enough people on the beach fully qualified for water safety on those busy Sundays. A special thank you goes to our content experts including Deon Rowe and Peter Obern who are always willing and able to provide training in board riding skills and surf skills respectively when training our new BM groups.

We would like to congratulate all our new Bronze members and welcome them to the beach as full patrol members.

34 Surf Rescue Certificates (SRC)

This season we ran two SRC courses, led by Kelly Dobrow with support from John Goldrick, one being a large group of enthusiastic kids coming from Nippers and an intensive course in January that was for primarily new members to the club, which was run in collaboration with Dee Why SLS. All the SRC's have now had a chance to don the yellow and red and take up their roles as patrolling members of Freshwater.

Congratulations to the following new SRC's:

- | | | |
|-------------------|-------------------|-----------------------|

9 Spinal Management Awards

This year we were able to have a full day Spinal Management session at Freshwater Beach. This involved running both a new award and proficiency session. We had the following members receive this as a new award on the day.

- | | |
|---------------------|--------------------|
| ▪ Max Bolden | ▪ Andrew Jones |
| ▪ Robin Braithwaite | ▪ Samuel Jones |
| ▪ Helena De Gruchy | ▪ Jacqueline Stark |
| ▪ Jarrad Freakley | ▪ Georgia Weston |
| ▪ Cheyenne Hayes | |

28 First Aid awards

Once again our wonderful First Aid co-ordinator Cheryl White ran 2 First Aid courses at the club with members able to achieve their first aid or renew their qualifications. We also had members renew their qualification through SLSNSW, their work place or with other registered First Aid providers such as St Johns.

Congratulations to the following members:

- | | | |
|---------------------|--------------------|-------------------|
| ▪ Jemma Aitken | ▪ Mark Burrough | ▪ James Thomson |
| ▪ Chalmers Ben | ▪ John Darrow | ▪ Luke Jarman |
| ▪ Paul Bennett | ▪ Helena De Gruchy | ▪ Jarrad Freakley |
| ▪ Robin Braithwaite | ▪ Kevin Dyer | ▪ Joshua Wall |
| ▪ Isabelle Brun | ▪ Gabriel Godoy | |
| ▪ Madelaine Brun | ▪ Ben Hildyard | |

3 IRB Driver and 30 IRB Crew

This year, under the guidance of John Lo Schiavo, David Price, Luke Jarman and James Crittenden, with a special thank you to James Coates, we were able to train 3 drivers and a fantastic number of new crew for the season ahead, many of whom were Nipper parents keen to get out on the water on Sunday mornings.

Congratulations to the following members who achieved their IRB Driver Silver Medallion.

- Matthew Dobson
- Bennett Frerck
- Mark Northcote

4 Silver Medallion Beach Management

Silver Medallion Beach Management is a leadership award and is required by our Patrol Captains and Vice Captains, giving them the training they need to run our beach patrols. It is also a requirement for those wishing to do their Gold Medallion.

Congratulations to the following members:

- Thomas Hills
- Emily Lemlin
- Andrea Malm
- Jacqueline Phillips

4 Silver Medallion Aquatic Rescue

This challenging award is more technical than the prestigious Gold Medallion, involving a difficult rescue scenario under both day and night conditions. Congratulations to Sam, Jordan, Matthew and James for receiving their SMAR.

- Samuel Hurrell
- Jordan Dobson
- Matthew Dobson
- Chris (James) Pendray

7 Silver Medallion Advanced First Aid [AID]

Members with this award hold the skills and knowledge to provide an advanced first aid response, including management of the incident and other first aiders until the arrival of medical or other assistance. This year we had a large group of Freshwater members train in collaboration with Dee Why SLSC to achieve this award. To achieve this award members must also hold their Bronze Medallion and First Aid.

- Deandra Godoy
- Emily Lemlin
- Andrea Malm
- Jacqueline Phillips
- Caitlin Price
- David Price
- Michael Wright

And for those who achieved their IRB crew:

- Lee Armstrong
- Lucas Blakeney
- Andrew Braund
- Benjamin Brink
- Isabelle Brun
- Madelaine Brun
- Nard Buijs
- Kris Burrows
- Max Coates
- Derek Daly
- Adam Douglas
- Jamie Dunn
- Gabriel Godoy

- Alec McMicking
- Alexander Needham
- Diana Pinnuck
- Jacqueline Stark
- Michiel Tops
- Jock Tyson
- Chris Veitch
- Joanne Veitch
- Stephan Wall
- Tony Wessling

2 Rescue Water Craft Operator Certificate

This is the highest water craft certificate available, allowing members to operate the Jet Ski. This course takes many multiple weeks during the off-season to complete on top of all the other IRB awards and time spent in the IRB. Well done to Edward and John for their dedication to gaining this award.

- Edward Farrell
- John Lo Schiavo

1 Probationary Trainer

This year we have had the pleasure of welcoming Andrea Malm to the team as a probationary training officer. Congratulations.

- Andrea Malm

1 Training Officer IRB

Congratulations to James for full membership as a training officer in the IRB team.

- James Crittenden

Jacqueline Phillips
Director of Education

DIRECTOR SPONSORSHIP & MARKETING

Freshwater Surf Club relies on the generosity and financial support of our sponsors and supporters. Without their generosity, Freshwater Surf Club would not be the great club that exists today.

Sponsorship includes cash donations, equipment purchases, goods and services in kind, cash prizes for major events and clothing. Items such as IRB's, engines, nipper surf rescue boards, age flags, first aid equipment, boats, oars, etc., the list goes on and equipment consistently needs to be replaced due to salt damage and general wear and tear.

Our sponsors give to the Club generously. We, in turn, encourage you to support these wonderful businesses, which, year on year, provide us with financial support and therefore financial stability.

MAJOR SPONSOR HARBORD BEACH HOTEL

John Thorpe AM, Trish King and GM Sean King from the HBH have remained loyal, long-term supporters of our Club for over 40 years. Harbord Beach Hotel supports nearly every event at Freshwater Surf Club. They give generously every year to help the financial stability and running costs of the Club and also support us whenever we need a discount voucher or someone to fund Nippers gear.

They are known as one of the friendliest pubs on the Northern Beaches. If you haven't eaten in the restaurant – then we encourage you to do so. The meals are generous and suit families and individuals. A huge THANKS to The Harbord Beach Hotel from all of us at Freshwater Surf Club.

T: 9905 3134 W: harbordbeachhotel.com.au

HEALTHY CARE (Nature's Care Australia)

Healthy Care is a new major sponsor of the Freshwater Surf Club. You may have noticed them as the major sponsor for the Australia Day Open Surf Carnival. The Healthy Care team provided free samples of their skin care and vitamin range to contestants as well as beach goers and \$500 cash awards to the female and male board winners.

Healthy Care manufactures their range of health care products locally at Belrose. It's from this facility that they ship their products all around the World. Products are 100% Australian owned and locally developed retailed in Australia at Chemist Warehouse.

T: 94858888 W: naturescare.com.au

FRESHWATER COMMUNITY BANK BRANCH (BENDIGO BANK)

Did you know that 80% of all profits from Bendigo Bank are put back into community projects? To date Bendigo Bank have provided our Club with over \$175,000. This doesn't include all the add-on support they provide for the Barney Mullins Swim with swim caps, water bottles and two x \$500 cash first prize awards.

Harbord Financial Services Limited is proud to be a locally owned and operated public company located here in Freshwater.

Our local Freshwater Branch of Bendigo Bank is honest, is staffed and owned by locals and gives so generously to our

DIRECTOR SPONSORSHIP & MARKETING

Club and so many other community projects. They quietly go about their business, without fanfare, without big bonuses with honesty, integrity and friendliness.

Time to make a change and bank locally. Call Kasey, Sandy, or Simone to talk about transferring your personal and or business banking to them today.

T: 9939 6744 W: bendigobank.com.au/community/our-branches/freshwater

HARBORD DIGGERS

The new Harbord Diggers has set the scene for Freshwater as a superb, state of the art entertainment hub, drawing thousands of families locally and from further afield.

The Diggers have been a long-term supporter of our Freshwater Club. We hope to continue our close relationship with the Diggers and thank them for their continued sponsorship.

T: 9938 1444 W: harborddiggers.com.au

SEA REAL ESTATE (SMYTH ESTATE AGENTS)

Founded in 2007 James Smyth brought his experience as a money market trader and his passion for real estate together to realise his dream of creating his own local real estate company. James has supported our club for the past ten years and deserves our support in return. James has been involved not only as a sponsor but as an active valuable Club member.

James knows our local real estate area like no other. He will give you personal service, ensure you find what you are looking for or find the right buyer for your property. His fantastic, friendly staff will take all the worry out of managing your property, whether renting or letting a property. Pop into his local office in Freshwater Village and mention you are from the Club – you will be greeted with a very warm smile.

T: 9905 4100 W: smythestateagents.com.au

BENNETT SURFBOARDS

A family tradition since 1956, Bennett Surfboards has been in the surfboard business longer than any other Australian manufacturer. Greg Bennett has always maintained his strong roots in the Surf Life saving environment and for over 40 years has supplied thousands of paddle and rescue boards to our club as well as many others.

Bennett Boards are our major sponsor of the Freshwater Bennett Fast and Furious - the premier junior event on the northern beaches.

Thanks to Bennett Boards for their continued and generous support of our Club.

T: 9905 5157

W: bennettsurfboards.com

KMB BUSINESS ADVISORS

KMB give generously towards supporting our Nippers uniforms and equipment. Located in North Sydney, KMB provide extensive advice and experience in the area of taxation, audit, consulting, and risk management and advisory services to local, national and international businesses. KMB are loyal friends and supporters of our Club and we thank them for their ongoing support.

T: 8277 5000 W: <http://www.kmbba.com.au>

DIRECTOR SPONSORSHIP & MARKETING

DREAM DOORS

DREAM DOORS® AMAZING KITCHEN FACELIFTS

Dream Doors Kitchens is located locally and provides quality one stop shop for kitchen renovations and new kitchen installations. Dream Doors give generously to support our rowers and boat crew for the Ocean Thunder series. If you are looking for a kitchen upgrade or advice on a renovation, please give them a call.

T: 1800 2 37326 W: dreamdoors.kitchens.com.au

WAVESCAPE ORTHODONTICS

Nippers Supporters

A family run business, Wavescape Orthodontics in Dee Why has supported our Nippers this season with new Age flags. Riaan and Kristelle of Wavescape Orthodontics, specialize in looking after families and kids. We thank them for their contribution towards our Nippers this year.

T: 9984 9849 W: wavescapeortho.com.au

TITAN FORD - Loan Car

Thanks to Marie and the team at Titan Ford, Brookvale who came to our rescue to generously offer a loan car to allow our gear trailer to be towed to the National Titles on the Gold Coast this year.

Titan Ford vehicles have been driving local families and businesses on the Northern Beaches for over 30 years and are proud to support the local community. They focus on developing long term relationships that extend beyond the sale. The Titan team are **good** people, offering **better** service and only the **best** deals. Pop in to see the latest models.

- The Freshwater Butcher - Freshwater Village - Mark and Lucy Tindal
- Bakers Delight - Freshwater Village - Kevin
- Harbord Growers - Stocklands, Balgowlah - Anthony
- Signarama - Manly Vale - Pravin Vala
- Pickwick Picture Framers - Brookvale - Mori

NEW SPONSORS

We always need more support and are incredibly grateful for all donations, sponsorship and support for our Club. We develop a close working relationship with our sponsors to ensure they receive maximum exposure to our members as well as over 350,000 beachgoers who attend Freshie beach each year. If you, or if you know of someone who wants to be involved in one of the most popular, iconic Surf Clubs on Sydney's Northern Beaches, then please ask them to contact me directly.

Email Mary-Louise at sponsorship@freshwaterslsc.com to be sent an up to date list of Freshie Surf Club's sponsorship opportunities for next season.

Mary-Louise Parkinson Director of Sponsorship and Marketing

BRANCH, STATE & SLSA RECOGNITION & ACTIVITIES

As well as recognising our club sponsors, it is important the club also recognises the significant and on-going support provided to all clubs and the life saving movement in general by those organisations who sponsor the activities of Branch, NSW SLS and SLSA. Their support and generosity results in a range of direct and indirect benefits to all clubs, including our own. Many thanks to the following supporters of surf life saving –

Branch

- International College of Management
- DHL
- Streets Ice Cream
- Dee Why RSL Club
- United Resource Management (URM)
- Bill Buckle Auto Group
- Westfield Warringah Mall
- Cancer Institute NSW
- RFI Group
- NSW Government
- Northern Beaches Council
- St George Foundation
- Speedo
- BPR
- The Beach Club Collaroy
- Bennett Boards
- Thredbo

NSW and SLSA

DHL as a National Major Partner of Surf Life Saving and for their significant uniform sponsorship,

enabling uniforms to be provided free of charge to patrolling lifesavers.

Westpac as a National Major Partner of Surf Life Saving for their significant sponsorship towards the Westpac Lifesaver Rescue Helicopter Service, the oldest civilian search and rescue service in Australia

BRP for their continued support in providing subsidised ATVs and RWCs through the BRP Grant Program.

Your **local club** for their support of the NSW State Championships.

ClubsNSW for their continued support of clubs through the ClubGRANTS funding program.

The club also acknowledges the support and financial assistance provided by **Surf Life Saving NSW & the Surf Life Saving Foundation** through their State wide fundraising activities.

The generous support of the general public and our donors is also much appreciated. Without their support in purchasing raffle tickets and making donations, NSW SLS would not be able to distribute the much needed funds now received by clubs across the State.

The support of the **NSW and Commonwealth Governments** of the life-saving movement is also acknowledged.

In particular –

▪ The **NSW Government's Department of Justice** for the ongoing funding of state-wide operations.

▪ The **Federal Government** for the Beach Safety Equipment Funding which directed \$5,000 to every SLSC for the purchase of vital rescue equipment, first aid and medical supplies.

UNITED RESOURCE MANAGEMENT

COMMUNITY INVOLVEMENT

This past season has again seen the club and its members support a range of community based activities. The Executive Committee recognises the importance of the club engaging with the local Freshwater and wider community and so continues to encourage and support participation by members in these events. This ensures the club retains its traditional position as a integral part of the social, recreational, sporting and cultural fabric of the area.

Our largest community event is the annual Barney Mullins Ocean swim which this year attracted some 500 participants. This is subject to a separate report elsewhere within this report.

CITY TO SURF

As has been the case for many years, in August a bus load of members travelled to the city in the early hours of the morning to undertake marshalling and crowd control duties for the annual City to Surf. This has long been an important event on the club's annual calendar.

FRESHWATER PRECINCT PLAN WORKING GROUP

The Northern Beaches Council is currently developing a precinct plan for the Freshwater basin area. To progress the plan, a working party was established made up representatives from the local community and community organisations. As our club and the immediate environs are a key part of the proposed plan, we were invited to nominate two representatives to be part of the working group. Stephen Bennett and Michael Kirkby represented the club and its members and were able to provide valuable input to the process.

CPR TRAINING

The FEAT team participated in community CPR training in collaboration with Freshwater Community Bank and thanks to Emily Lemlin, Kelly Dobrow and Deandra Godoy for volunteering their time to do this.

ANZAC DAY CEREMONIES

As they have done for decades, club members were in attendance at the annual ANZAC Day march and ceremony conducted by the Harbord Diggers Club to honour those who have served and or died for their country. Peter Rowlands, Life Member, laid the traditional wreath at the cenotaph on behalf of Freshwater members.

COMMUNITY INVOLVEMENT

WORLD WAR 1 ARMISTICE CEREMONY

To commemorate the centenary of the Armistice for WW1, in November club members played an active part in the unveiling of two bronze busts in Jacka Park – one of WW1 nurse Alice Le Messurier and the other of an unknown northern beaches' soldier. Club members Natalie Jander and Ben Blakeney dressed in period costume and read scripts relating to the involvement in the war of Alice and northern beaches soldiers.

OTHER COMMUNITY INVOLVEMENT

In December the club lent its support to the local Christmas Carols in the Park event conducted by the local St Marks Church. Club facilities were made available to the organisers including the opportunity to use the main hall in the event of inclement weather.

The club again received a number of requests during the season to assist with the scattering of ashes of local & wider community members who over the years, have developed a relationship with the beach. On a number of occasions club members gave up their time to man the club's IRB and surf boats to allow ashes scattering ceremonies to be conducted.

The club is also approached periodically by various charitable organisations who wish to use the club facilities for fundraising and other associated activities. Subject to any prior bookings, the club does all it can to accommodate such requests, often at no charge.

DIRECTOR BUILDING & FACILITIES

After the considerable expenditure on the makeover of the clubhouse in previous years, the focus this year has been on maintaining current standards and required fixes,

Key highlights of this approach include:

- Replacement of the corroded gates and locks within the amenities area with stainless steel.
- Replacement of the storm damaged ceiling under the front balcony.
- Replacement of the taps in the men's showers.
- Installation of TV in foyer area for display of club records.
- Minor repairs of walls and columns on ground floor.
- Replacement of tables used for club functions.
- Ongoing minor repairs around the club.
- Relocation of Sponsors Board to the ceiling immediately behind the glass wall.

A special thanks to Dave Torevell and Wayne Freakley who are currently painting the ceilings and columns in the front board storage area, this has certainly freshened up the space.

Thank you also to Bing Lee for their generous donation of the new 65" TV that is now mounted and will be used for display purposes.

Our current caretakers, George and Michelle Vella finish their tenure at the end of June. On behalf of all members, I would like to take this opportunity to thank them both for their commitment and congratulate them on the high standards they have set. I wish them all the very best in their future endeavours. The new caretakers, Josh and Madison Mitchell take over the reins on July 1 and I welcome them to our club.

Phil Fagan
Facilities Director

Barney Mullins Swim Classic 2019

The annual Barney Mullins Swim Classic was held on Sunday 3rd March, 2019.

Once again, we had fantastic weather and glorious ocean conditions - better than fantastic! People poured through the clubhouse doors looking to enter on the day leading us to start a little late so that we could make sure everyone got to swim. All in all, we had a record 688 entries for the swim.

Ocean conditions were superb for the duration of the event with a water temperature of 24 degrees and super clear visibility. No issues whatsoever with navigation around the cans by swimmers, with our event specific buoys doing the job well for the second year. No doubt helped by the large turnout in water safety.

The course was a fair bit longer than the advertised 1.5km (around 2.3km), but no one was complaining. I think they were all happy to be challenged.

The two fastest swimmers and winners of the \$500 Bendigo bank accounts were both new to the swim. They were Josh Attard age 22 (22m:41s) and Tayla Martin age 20 (23m:54s).

Carl Sorensen was the fastest Freshie member (3rd overall) in a time of 22:50s. Which is red hot for a 16-year-old. Congratulations to Carl on winning the coveted Barney Mullins Shield.

The back of the pack 'Mates Wave' continues to grow in popularity with 24 Freshie members jumping in at the back

and 75 public swimmers joining them for the chance to have a cruisy swim with family and friends.

By all accounts, the swimmers on the day had a great time, and we got through without any serious incidents.

We were again fortunate to have the family of George "Barney" Mullins attend the event again with great enthusiasm and commitment, just as George would.

A big thank you to all the fabulous Freshwater SLSC members and their families for helping on the day making for a memorable and successful event. **Particular thanks must go to each of the section heads for coordinating their areas so well.**

This is a significant fundraiser for the club, and we raised around \$13,000 from the day.

A special thanks also to Karen Blakeney for stepping in at the last minute to manage the registrations. Not an easy job with so many coming through the door, but she was like a swan gliding gracefully around the pond, while paddling furiously underwater!

Thanks also to our event sponsors - the **Freshwater Community Bank® Branch of Bendigo Bank**, the **Harbord Beach Hotel**, **Freshwater Bakers Delight** and **Freshwater Butcher**. Next year's swim is scheduled for 10 am Sunday, March 1st, 2020.

Yours in swimming,

Andrew de Vries
Race Convener

DIRECTOR MEMBER SERVICES

This is my final season as Member Services Director so this is a rather reflective account of the past three years in the role. I feel privileged to be part of such an amazing surf club and grateful to have been able to meet so many clubbies who help to keep the club functioning.

The Member Services role is a special one in that it encompasses all the faces and personalities within the surf club. From the Life Members and House of Lords to the Nippers and the amazing volunteers who patrol our beautiful beach, in some way Member Services touches all.

I have thoroughly enjoyed the personalities, the characters and the endless banter across all areas of the club and want all members to know that they contribute to the culture of our wonderful club.

The role of Member Services is to provide avenues to all club members to enjoy the club and all that it has to offer. These services are inclusive of all members of the club and their friends and families.

As I pass on the baton next season, I know that the role of Member Services Director will continue to evolve and I wish the next Director all the very best.

Highlights from the season

Life Member/50yrs of Service Event

2018 was the third year we hosted the Life Member and 50 years of service to Life Saving event. It is one of my favourite events on the calendar. This is the day that old mates get together, some after not seeing their mates for some years. It is so special as you see their eyes light up as they reflect on many years at the club.

I really enjoy all aspects of this event, right down to the compilation and posting of the invitations. As I worked through the task last year, I couldn't help but reflect on the major difference in how we invite attendees to this event compared to a Freshies on Friday or other event where much of the communication is done via technology.

I love it that the invitees actually call me and tell me if they will be attending. Plus, I often get an update on the health of them and their loves ones. Such a human experience is so unusual in this day and age where everything is circulated via Facebook or email.

I'd like to extend much gratitude to Michal Brenchley, Gayle and Rob Taylor, Janet and Ken Rickard and Bob Evans for assisting with the event. Many hands make light work and having assistance is greatly appreciated.

City to Surf

The club continued their involvement in the annual **City to Surf**. While I was in Europe on holiday, the team, led by Mary-Louise Parkinson got on the bus and took up their posts on the start line of the biggest fun run in the world.

Thanks to all the volunteers who got up early on the cold morning in August to volunteer on the start line of this iconic event. The club very much appreciates your efforts and the funds assist the club to purchase life-saving equipment.

Thanks to Tom Duffy and the youth team for putting on the BBQ for all the hungry volunteers after they finished their duties.

The club has played a role in this event for a number of years as a fundraiser to purchase life-saving equipment for the club. The logistical challenges of getting the volunteers to the start line in the city and the increase in the compliance element driven by the size of the event may mean that we review our on-going participation in this event in the future.

Freshie Club Merchandise

The online shop continues to be a great success. Last year at Christmas time, I received an order from the USA. It was an ex-member who wanted to purchase some items for his wife and son as they were Freshie home-sick and he hoped the gifts would make them feel better at Christmas.

It was great that we were able to deliver a package filled with Freshie goodies to the States and shows how far we have come over the years with the use of technology.

DIRECTOR MEMBER SERVICES Cont'd..

There is a lot of work that goes on behind the scenes to make sure that the new stock is placed online, photos are added and when the orders come in that they are dispatched to our customers. Each week many emails are exchanged between our online customers and our team of volunteers at the club to ensure no one's order is missed. The small team often go above and beyond the call of duty by either meeting people at the club at convenient hours, dropping parcels off at people's homes or making multiple trips to the post office when sizes are incorrect. All this is done in good spirit to ensure we have satisfied customers.

The biggest thank you and all my gratitude to Tania McLean and Renee McGettigan. They work on all that I mentioned above and work tirelessly picking and packing stock for the customers. Thank you so very much to you both.

We hope that the online store continues to allow our members and their friends and family to easily access our merchandise well into the future.

As I sign off for the last time as Member Services Director, I want to thank to everyone who has supported me over the past three years. It has been challenging, so much fun but overall truly satisfying. Special mention to my new husband, Paul Milinkovic as he has been part of this journey as much as I have. His guidance and support has been invaluable and I would not have been able to launch the online shop without his expertise.

I wish our new Member Services Director all the very best in the role and know that it will be a satisfying experience. See you all at the beach.

Claire De Paoli
Director Member Services

At the June 2018 Annual General Meeting, we were thrilled to be appointed to the newly restored role of Youth Development Officers. This is a role that we have both informally been assisting with for a few years now. The Freshwater SLSC Executive Committee, identifying and acknowledging issues regarding youth engagement and retention, wished to formalise programs and strategies to increase engagement and improve retention rates of our youth members, who will become the club's future leaders.

We decided to make the portfolio as inclusive as possible from the outset, expanding the definition of youth from U/14s to U/23's. We focused on engagement beyond competition, encouraging members to explore all facets of the club. We engaged members who were no longer returning to gain an understanding of why they had made the decision to leave, and what more the club could offer them.

The first order of business, as in any good youth program, was to host a party. The Freshwater SLSC Youth pre-season party was held on Friday 21 September and was well attended by a core group of about 30 youth members. The night featured a performance by local band Curd, which consisted of club members Declan Quail, Callum Quail, Tristan Godoy and Sam Parker.

Early in the season we reviewed how best we could communicate with our youth members. Given the limited success with traditional club communication methods such as email, we created a Youth TeamApp. TeamApp has been successfully used by the club for a few seasons now in surf sports and nippers, and we continued to see success with this free app.

Throughout the season we saw amazing participation from our youth members in all domains, including surf sports, education and lifesaving. In education, we had approximately 30 U14 nippers who completed their SRC qualification and have now entered our patrolling team and senior club.

Similar numbers of U15s to U17s have also upgraded from SRC to Bronze Medallions, with many going on to complete higher awards. Thank you to our fantastic team of trainers for dedicating your time to training the new group of lifesavers!

For the past number of years Freshwater has had very strong applicants in the Junior Lifesaver of the Year competition and

DIRECTORS of YOUTH DEVELOPMENT

have seen many winners including youth superstars Tahlia Dearden, Andrea Malm, Gracie Kiely and Caoimhe Daly. This year another superstar joined their ranks with Mila McGettigan winning the Junior Lifesaver of the Year title – an absolutely fantastic achievement!

For the first time in many years, the club was able to boast it had competitors in every competition area at this year's championships – beach, lifesaving, boats, board, ski, swim, R&R, board riding and march past. This was in part due to our younger club members making a resurgence in the board riding and beach events, including nippers competing up into open competition to make up teams.

It was fantastic to see the number of youth members step up this season to take on coaching and mentoring roles for our younger members across the board in competition areas. Big thanks to Jess Douglas, Alex Malm and Nick Doyle for taking on coaching in the BSS area, to Tahlia Dearden and Julia Baker in lifesaving and to Mila McGettigan in beach competition.

A particularly pleasing success this season was the number of non-competitive youth members attending the gym sessions on Wednesday afternoons. This season we introduced a female only strengthening session run by Sammy Wood which we hope will continue with even greater numbers throughout the off season and into next season.

Core to our strategy was to demonstrate that the surf club was also a place beyond surf sports competing and patrols. With the support of the Executive Committee, the club internet Wi-Fi was improved and access was given to all club members. As a result, a number of youth members began to use the upstairs area of the club as a place to study and do homework after school, or get university work done on days off. This was great to see, and brought a large number of members together after school and before training sessions.

In November we ran a Responsible Service of Alcohol (RSA) course at Freshwater SLSC which was offered at a discounted price to our youth members, in return for assistance serving at club functions. A number of members took up this offer, which benefited both the youth member as they gained a recognised qualification assisting them to gain employment, and also benefits the club as we boost our number of members able to serve at our new club bar. Thanks must go to Steve Davis for assisting in arranging this course.

Central to our surf club is patrolling and we spent some time early in the season speaking with our youth members regarding barriers to attendance and participation in patrols. A number of issues such as timing of patrols, uniforms, allocation to patrols with friends, and conflicting sporting commitments continued to appear as we spoke to returning and non-returning members. These issues were then brought to the attention of the Club Captain and Executive Committee, and we continued to work on them throughout the season.

With any new program or initiative, there will be successes and limitations. From the outset, we aimed to measure the success of our initiatives over a number of seasons, with the Executive acknowledging this was a 3-year plan. With every success comes a number of lessons learnt, which we can use to shape our strategy for future seasons. A great success has been splitting the role into 'boys and girls', with each of us focusing on strategies for our respective cohorts. This allowed the kids to approach who they were already friends with/aware of, or who they would naturally feel more comfortable talking to. Further to that, it allowed us to use our years of experience and knowledge at the club to drive programs and initiatives we knew the club needed or would work.

A limitation we found early on, and was told time and time again by the kids, was that they didn't want formal programs, initiatives or groups. In the broader community, volunteer organisation are seeing a drop off in numbers across the board, especially in youth numbers. We need to find the right balance between maintaining our core business of patrolling, while also making sure the surf club stays a place where the kids want to be, and not just an extension of school or somewhere their parents send them. This will be an ongoing challenge for the preseason planning for the 2019/20 season.

To end, we would like to thank all the sections of the club, particularly surf sports, lifesaving and patrols who have continued to engage their youth members in their own teams and programs. On any given weekday afternoon or weekend, there is a healthy number of youth members in the gym, rowing surf boats, paddling boards, training for RnR or enjoying nippers. We have enjoyed fostering this group of members this season and particularly enjoyed watching the numbers grow and look forward to continued successes in the seasons to come.

Regards
Clare Freakley & Tom Duffy
Directors of Youth Development

JUNIOR ACTIVITIES (NIPPERS)

We had a great start to the season for Freshie Nippers. We farewelled many long serving members of the Junior Activities Committee at the end of last season and welcomed new faces in key roles. I personally was finding my footing in my new role as Chairman and would like to thank those former JAC members for their commitment and service. I now have a true understanding of just how much time and effort they have put in over the years.

In particular I would like to thank Hamish McLean, the previous JAC Chairman, for all the advice, support and guidance he provided me with as I progressed through the season.

I would also like to thank the new and returning JAC members for their continued hard work in their volunteer roles. Everyone worked together well and were focused on building on the work of past members to make Freshie Nippers the best place for our future life savers.

We started the season with just under 700 nippers enrolled and right from the get-go we needed new age managers and assistants for the U6's along with ensuring that all of the other age groups were covered as well with most parents returning for another season to cover off those roles. To everyone's credit they put the hard yards in and as a result we managed to end up with organised chaos! Most importantly, the kids were having lots of fun on the beach and were either making new friends or refreshing old friendships.

With all the training regimes up and running the competitive nippers certainly had a full schedule and we also focused on getting the kids to compete in the Club's Handicapped Surf Race each Sunday much to the pleasure of the older members who enjoyed seeing the nippers getting in and having a go.

For those Nippers who weren't competing at carnivals the Sunday Activities sessions saw plenty of fun and action on the beach and in the water headed up by Brent Cahill and the respective Age Managers, with a focus on learning those necessary surf skills with the odd tug-of-war and beach sprint thrown in for good measure.

The season saw some spectacular success in the land events at carnivals which was all down to a much focused Michelle Nunura as our Land Coach with the Team taking out 1st place at the Land Branch Carnival in February followed by gold in the All Age Relay at the State Titles in March, 2019. In addition to this our individual Nippers and relay teams won a smattering of gold and silver at both these carnivals as well, not to mention our flag competitors.

In the water the kids gave it their all in surf races and on boards and we will continue to look to build on this side of our club's training regime with a view to being more competitive in the future.

In November we had a number of nippers selected in the Sydney Northern Beaches High Performance Squad in both water and land as follows:

- **U12 Girls: Charlotte Watton, India Holden, Leela Scott and Nara Jordi**
- **U13 Boys: Artie Leiper**
- **U14 Girls: Stefanie Fejes, Mila McGettigan and Charlotte Block**
- **U14 Boys: Joshua Gedz and Evan Neal**
- **U15 Girls: Lauren Bourgeois**

State Titles Representatives

JUNIOR ACTIVITIES (NIPPERS)

Also in November, and unfortunately for us, our signature carnival, the Freshie Fast & Furious Bennett Board Carnival was cancelled on the day due to dangerous surf conditions. I think it is safe to say everyone was horribly disappointed that morning but when it comes to the surf, safety always comes first. We are so in debt to the wonderful group of parents responsible for the setup and the whole shebang that is the carnival so thank you to Michal Brenchley, Monique Nitz, Jen Bourgeois, Richard Hawtin, Tom Duffy, the setup crew, and everyone else who pitched in not only on the day but in the weeks leading up to the carnival. Your efforts are always greatly appreciated and it was a real shame we couldn't get started on the day as we all know what a great carnival it is for the kids.

Further congratulations go out to the five nippers who were then selected for the Sydney Northern Beaches Branch Team to compete at the Interbranch Carnival which they won at Black Head Beach in December:

- **Leela Scott (U12's Girls land)**
- **Artie Leiper (U13's Boys land)**
- **Stefanie Fejes (U14's Girls land)**
- **Joshua Gedz (U14's Boys land) and**
- **Mila McGettigan (U15's Girls land).**

As is the case each season our U14 nippers were undertaking their training to be assessed on the Surf Rescue Certificate and thanks to the dedicated training team of John Goldrick, Kelly Dobrow and others, 25 of them passed and they then pulled on their fluoro orange shirts as part of the water safety team and joined the patrolling ranks to keep Freshie Beach safe for all.

In late January, Josh Gedz from the U14's represented NSW at the Surf Life Saving Australia – Interstate Championships 2019 in the Pathways and picked up gold in the Cameron as a runner. This is great achievement for Josh and we hope he can keep up the representative honours as he moves into the Senior Club next season.

In early February it was announced that Mila McGettigan, our Female Club Captain, had been selected as Female Junior Lifesaver of the Year by the committee at Sydney Northern Beaches Branch which is a great honour for her and our Club. Mila is the third U14 Freshie female in 4 seasons to take out this award and she now follows in the footsteps of Caiomhe Daly (2017-18 winner) and Grace Kiely (2015-16 winner). A great tradition for our U13 girls and boys to follow. Mila subsequently went on to represent the Branch at the State Competition in April but was not able to take out that award.

Back at Freshie we had more parents step up and graduate as IRB crew, IRB drivers and water safety. Thank you all for your contribution. It is greatly needed and makes things so much easier for the whole junior Club.

As mentioned earlier, February saw us off to North Narra-been for the Land Branch Titles with a 1st place at the carnival followed by 5th place at Palm Beach in the Water Branch Carnival. Overall we came 4th on the combined results. Achieving a better outcome in the water will be a real focus for the Club for next season and we have some real up and coming stars so with the right training we can look forward to some positive results on that front.

JUNIOR ACTIVITIES (NIPPERS)

The month of March saw us off to the State Titles hosted at Swansea Belmont SLSC where our Team of 73 Nippers spent 3 days battling the sand and surf with some great outcomes all round. Overall we finished 16th on 52 points which was a great effort and something that we will aim to improve on going forward.

The highlights of the State Titles were a gold in the All Age Relay, the penultimate event on the land in surf carnivals, gold in the U14 Male Sprint taken out by Josh Gedz, and a silver in the U10 Female Surf Swim which was claimed by Jaslyn Plummer in her first big season of competing with Freshie.

The kids competed with great spirit and determination and did themselves, their parents and our Club proud. They all looked great in their State Team uniforms and many of them stepped up in age groups to help form teams which is a testament to their courage, determination and outstanding team spirit.

Two weeks later, in mid-March, we held our end-of-season Presentation and awarded our perpetual trophies as well as our Club Champions for each age group and said goodbye to our U14's as they 'aged-out' of Nippers. We also recognised all Nippers who had achieved a place in a final at State and there were quite a few!

It was also an opportunity to thank all of those parents who constantly go above and beyond the call of duty to make sure that the kids at Freshie Nippers can experience the best of times with their team-mates and friends.

In April Josh Gedz, from the U14's, headed up to Kirra Beach to compete in the Aussie Titles in the Australian Youth competition where he came 5th in the final of U14 Male Beach Flags and 4th in the final of U14 Male Beach Sprint. An outstanding effort against the best Australia has to offer!

We have also had a 11 of our Nippers selected in the SNB Development Squad who will hold various training sessions during the off-season so a big congratulations to Ollie McDonald, Charlotte Block, Leela Scott, Tom Northcote, Seb Ellens, Artie Leiper, Mila McGettigan, Josh Gedz, Jaslyn Plummer, Charlotte Watton, and Stephanie Fejes.

And now it is time to thank a long line of people who give up their time, effort, expertise and energy to all make the Nippers function come to life during the season.

To the water safety, the IRB drivers and crew, the Age Managers and Age Assistants, the uniform ladies, the gear and board guys, the Sunday Activities setup and pack up crews, and all of those parents who just step in and help on BBQ's, carnival setups and everything else that needs to be done a huge thank you for all of your help over the season. If I have forgotten anyone I apologise.

To our head coaches, Michelle & Marcial Nunura, and to Tim Jacobs, Michael Gedz and all those other parents who assisted with both our land and water training, a huge thank you for all your efforts, your commitment and hard work. Without you the kids would not be able to rise to the heights that they do in this sport.

To our social committee headed up by Monique Nitz & Michal Brenchley we cannot thank you enough for all of the effort and behind the scenes work that you do along with all of the parents that you manage to rope in to help.

To our major sponsors, a huge thank you for the commitment you make to our Club and our sport. We would like to thank:

- **SEA Real Estate**
- **Bennett Surf Co.**
- **KMB Business Advisors & Chartered Accountants**
- **Camp Blue**

We would also like to acknowledge all of the local Freshwater and surrounding businesses that participated in our Christmas Voucher booklet produced to help support the Club and those businesses.

Finally, we should also acknowledge our Senior Club's major sponsors and the benefit we derive from them as well:

- **Harbord Beach Hotel**
- **Healthy Care (Nature's Care)**
- **Freshwater Community Bank Branch Bendigo Bank**
- **Harbord Diggers**

JUNIOR ACTIVITIES (NIPPERS)

Our end of season presentation was very successful. The following are the recognised major award winners or others warranting special mention for the season.

Season 2018-19 Junior Club Captains

Male	Female
Toby Jacobs	Mila McGettigan

Long Standing Nippers (from U6 to U14's)

Lilias Smart
Holly Wickham
Toby Jacobs
Noah Kite
Finlay Miller
Jakoby Bell
Tasma Patterson

Award Winners

Iron Winners

Category	Male	Female
MIDGET	Tom Northcote	Jaslyn Plummer
JUNIOR	Jai Jacobs	Jada Nunura
SENIOR 13s	Xavier McLean	Rachel Bourgeois & Imogen Grey (tied)
SENIOR 14s	Toby Jacobs	Bree Coates

Trojan Award Winners

Trojan Winner	Comments
Diego Lombardini	Water safety, age manage at carnivals, did anything else without being prompted
Lyndsay Hendry	Ran the U13's
Kathy Sui	Age assistant, photographer, organizer of kids at carnivals.
Daryl Moles	1st Yr. Carnival organizer and registrar of competitors. Super organized and never an issue.

Cathy Crozier Award Winners

	Comments
James Coates	Amazing in IRB +across the club
Dan Scott	Registrar extraordinaire
Monique Nitz	Age Mngr / Official / Social functions
Derek Daly	Water safety / Anything all the time
Nick Bishop	Age Mngr / U6's startup/ gear guy

All Age Sprint Team

U9	Harvey	Glanville
U10	Kayvon	Scott
U11	Olly	McDonald
U12	Leela	Scott
U13	Artie	Leiper
U14	Evan	Neal
U14	Josh	Gedz

Now that the season has drawn to a close and the kids have moved into their winter sports we will all have a well-earned break and think about what we want to achieve for next season and how we best go about doing that. To that end, stay focused on swim squads, land training and whatever else you think will benefit the kids during the off-season.

Finally, again, to the members of the Junior Activities Committee (JAC) a huge thank you for all your hard work and support during the season. It is always greatly appreciated and Nippers at Freshie would not be the same without you.

Enjoy the off season and, possibly, see you on the beach!

Paul McGettigan, JAC Chairman.

DIRECTOR SPORT

Hi everybody. First I must thank all the people who make this sport section function. Coaches, trainers, educators, doing entries, officials, work parties, BBQ workers, event organisers, IRB crew and First Aiders. This list could of course go on but you can see my point, it's not just the competitors who make up the sport section. As in all other parts of the club there are many people behind the scenes in support. To all these people we give a big thank you.

Not everything ran smoothly this season, including my own involvement with the squads due to ill health and unexpected family commitments. Once again, to all the people who stepped in to help Thank you.

Like all sporting clubs we go through periods of transformation as competitors, officials, trainers and other helpers commitments change due to study, work and family obligations.

This was one of those years at Freshie. For example we had no open boat crew but continued to develop all our other crews including several junior boys and one girls crew.

In other areas we only had a few hard core competitors in the senior ranks but had some very enthusiastic boys and girls in the younger age groups.

While being low in numbers hasn't dulled the enthusiasm of those involved, it does have an effect on the number of teams we can enter into carnivals, which then limits the number of races these competitors can participate in and consequently the amount of valuable race experience these people gain.

March Past, R&R and Lifesaving sections consistently entered teams at numerous carnivals culminating in excellent results at most major events.

All individuals who represented the club can be proud of their efforts. It can also be noted that some individuals who trained through winter and raced as often as possible had a very successful season.

Looking to next year we will be able to complement the level of coaching our competitors (especially in the water areas) will receive.

This will be from members, parents with past coaching and competitive experience and ex-competitors who are now available to donate some of their valuable time to assist our coaches in passing on some of their valuable knowledge and experience.

We also hope to see many more members join us on the beach at most of our training sessions.

Kevin Crow
Director Sport

What a great season for the Board Ski Swim squad! Starting as early as June 2018 the group maintained a focus and intensity through to the Australian championships in April 2019. Great results, loads of improvement and plenty of fun summarises the season 2018/19.

I have long held the view that one squad comprising all age groups from the youngest age group to the oldest masters competitor promotes a strong bond between all competitors, and the entire squad benefits as a result. While this was not the case again this year I will continue to advocate for a unified squad going forward. Unfortunately the masters group was separated again, so the squad was limited to the u14, u15, u17, u19 and open age groups. On another unfortunate note the u14 group was separated from the open group from time to time, when the junior coaching group felt they could provide a better platform for those younger competitors. Towards the end of the season the u14 group were removed completely from the open squad. This is counter productive to the transition of that group through to the senior age groups next season, and certainly works against the intent to allow the senior competitors to act as mentors and role models for the younger competitors. Hopefully this will be reversed next season and the u14 age group can be allowed to train with the open squad.

The organisation structure for the squad this year comprised Head Coach Aaron Thompson, Trainers John de Mestre, Tim and Ben Kirkby, and communication managed by Lynn Doyle.

Training commenced in June with off season training concentrating on swimming, running, and gym to build a strong base for the upcoming season. Jess Douglas decided to have a crack at the Coolangatta Gold race, so the squad rallied around her and the winter training block was designed to provide the base that she needed for her race, but also set a great platform of fitness for the rest of the squad for their season.

Once the season proper started, training sessions were held almost every morning and evening. Ski sessions were led by Ben, board sessions were led by Tim, John ran a surf swim session, and Aaron ran some surf skills/ironman training. Saturdays again were the significant training session for the week, with the Saturday Super Sessions comprising surf swimming, board and ski paddling, iron-

man and transition training a must do for all competitors. Contribution from all the coaches and trainers made Saturdays a great success. The efforts of all the coaches and trainers was warmly appreciated by all competitors and I sincerely thank Aaron, Ben, Tim and John.

I would like to make special mention of Ben and Aaron. Ben again wrote the season plan and wrote all the board and ski sessions each week. His leadership and commitment to the squad has been fantastic. Aaron has made the Head Coaching role his own this season. All the competitors appreciate his guidance and advice, both at training and from the water's edge at carnivals. His efforts at the NSW and Australian Championships ensured all the competitors had the best possible opportunity to do their best.

One pleasing aspect of this season was to see a few more of the senior competitors start to get involved in some of the organisation and leadership. Alex Malm and Nick Doyle deputised to Tim in the area of craft (ski and board) management, and Jess Douglas stepped up as a leader for the female competitors mentoring the younger female competitors as well as writing a monthly piece for the club newsletter. Alex Malm also coordinated a time trial on Sunday mornings that catered for those novice and emerging board and ski competitors. Tim continued the management of the club ute and trailers for the squad and managed the logistics for most carnivals. Thanks for all your input Alex, Nick, Jess, and Tim.

Lynn continued to manage the communications and entries for the squad. Thanks Lynn.

To all the competitors, congratulations on a great season. Many of you have improved over the season, and as is usually the case, those who have put the hard work in at training have achieved some great results at the major championships. Throughout the season the squad has grown closer together and there is a great camaraderie that exists. I hope this bond continues to develop and I have no doubt lifelong friendships are being formed. Aaron will focus on the results and performances of the competitors in his Head Coaches report, so I simply thank all the competitors for your commitment to the club and to the sport we all love.

I wish everyone all the best for the next season.

Michael Kirkby

Summer season 2017 1818 saw a significant change in regular squad sessions and personnel and a shift in age groups for a few long-time competitors. The regular increase in squad size was fantastic for the development of all levels of competitors or those just seeking fitness and enjoyment in developing surf skills in a group environment. For next season I hope that our squad sessions continue to grow in numbers and present an open, inviting platform for all to participate.

To highlight some competitive individuals, the development and confidence of Lauren Bourgeois throughout the summer was fantastic. Lauren's efforts at the state championships was a huge confidence boost for her and making finals and just missing out on finals in her super competitive age group was testament to her ability and hard work.

Tamsyn Curley really grew in confidence as the season progressed culminating in some fantastic results at the Australian titles. Tamsyn was always called upon to perform up in the U19 and open age groups where she always went to another level. Again, I hope that her self belief has finally arrived.

Jack Noakes in his first year to qualify as a semi-finalist and narrowly miss the U17 single ski final is great for him and Freshie for next season and beyond. Jack's commitment and pure hard work along with his willingness to learn was the main reason he achieved all his success.

The commitment made by Jensen McLean and Liam Wiseman through to Aussies was outstanding. Jensen's potential is limitless and with Liam, both are still in U17's next season. With continued hard work and attention to skills a formidable duo is very achievable and exciting for the future.

Once again, the commitment shown by Ben, Tim and Michael Kirkby to organisation and training was fantastic. Michael's ability and vision for the competitors is invaluable and his commitment to the club and its future was extraordinary again this season.

After a disappointing State titles, by his lofty standards, Ben's results and commitment were rewarded almost to what they deserve at Aussies. Ben's positive and selfless attitude is definitely the motor that drives the whole squad. Although at Aussies I did not see his single ski efforts, as I

was at North Kirra when the competition was split, I was told by many that an ounce of luck would have seen Ben line up for Sunday's final. I know that if that opportunity had presented itself Ben would have grabbed it and his ability and determination would have assured an effort and result that I would never have wanted to miss. To Ben and Tim particularly, thank you so much for all you do; training, programs, motivation, advice, commitment and on it goes. Thanks.

It was great to see the commitment to training and competition of the first-year senior competitors Nick Doyle, Ben Blakeney and Natalie Jander. It can be a hard transition but with continued effort to competition and training success will come and I think you all had glimpses of that at various times throughout the summer.

Deandra Godoy's tricky Australian titles should be enough to ensure her commitment to ski and kayak paddling continues as her potential is limitless. Thanks, Deandra for your leadership and direction at the Aussies and your paddle in the first Leg of the open ski relay is one that will stay with me and many for a long-time. Work hard.

It was great to see so many people at the Australian titles this year willing to help out with logistics and just general support. I hope to see Tom Duffy, Callum and Declan Quail, along with Lucas Blakeney and Will Thomson as well as a few others continue to improve participate and grow in

SURF SPORTS

confidence in training next season. Great to see an increase in the size of squad numbers consistently, particularly in the second half of year. This made training sessions super enjoyable.

James Coates' development with the younger members continues to grow and helps them grow into senior club competitors. I know that next year James can build and grow the younger girls and boys to have the skills confidence and enjoyment to get the most out of James' training and absolutely join in on sessions of the broader squad.

The competitive highlight for me was the performance of Jess Douglas at the Aussies. Jess began the season with a fantastic result in her first Coolangatta Gold. Jess' attitude and commitment never waned. Hard work, consistency, positive attitude and just plain determination are always rewarded and Jess' Aussies 2019 reflected this. Jess qualified for finals in the U19 Iron woman, board race and single ski, and along with Nat and Deandra the final of the open women's ski relay.

As is the nature of surf, Jess could've quite easily, given a metre this way or that or the smallest amount of luck, returned from Broadbeach with at least two Australian

medals. Moreover, Jess displayed and has always displayed a willingness to learn, improve and fight in whatever she undertakes in the sport representing Freshwater SLSC and herself. She is the example and leader who will only serve to help our squad develop and succeed next season and beyond. Her transition as an open competitor next year will take some patience but the best of Jess we are yet to see. Congratulations Jess.

A huge thank you to Lynn Doyle for her no nonsense and efficiency in all manner of official entry and general organisation of our squad.

Finally, I would like to thank all the parents and supporters who continue to help our squad and did in season 2018/19. This can be at considerable personal financial expense and a strain on time and other work and family commitments. Most times with little or no financial support like is the case at other clubs or organisations, this needs to at least be acknowledged and appreciated.

I hope to see all of season 2018/19 participants as well as some new faces again and more regularly next summer. Thanks.

**Aaron Thomson
Coach**

SURF SPORTS

Open Men's Reserve

Sweep: Mark Rickard/Ian "Crash" Cradock

Crew: James Paddock, Rashid Saleh, Dale Grant, Ben Styles, Dave Maguire

This season we welcomed Rashid Saleh & Ben to the crew and therefore started from scratch. The boys went back to basics, improving with every training session & learning fast.

Dave's ergo tests were a favourite of the boys (just kidding) although improved fitness and depth did help us. Mark came on board for Friday AM sessions as well as sweeping the boys for State & Aussies.

By State, the crew was very competitive & showing the makings of a fabulous crew. Unfortunately, Rashid could not make it to Aussies and therefore allowing myself to compete as a rower (thanks guys).

Thanks to James for transporting the boat to and from training and Dale for taking the boat all the way to Aussies and back towed by his new bus!! Thank you for an enjoyable season with a crew that all worked together. Tuesday Burgers was always a highlight.

Crash

U23 Men's

Sweep: Ian Cradock

Crew: James Woolford, Will Law, Rhys Schroeder, Zac Alford, Jordan Dobson

Colts is a very difficult & competitive division. These boys competed well as 1st year colts. They worked well together and surprised me & themselves with their ability in competition.

The boys 2nd race at Aussies was the best of the season. It included stopping in the breaks, flying through and over some BIG waves, coming AFT not far out of the cans and then rowing the last 30 metres to finish 2nd by a whisker!! Everything just came together.

The 3rd race didn't go quite to plan, however the boys showed great boat work, guts and determination. They performed as a crew should. Well done guys!

I would like to also thank Moose for sweeping the boys at State & when needed.

Thanks to Rhys who was a great help throughout the season towing and cleaning the boat.

Crash

Veterans Report (220/240's)

Sweep: Mark Rickard

Crew: John Swan, Scott Morrison, Dave Maguire, Dean Griffith, Ian Cradock, Brian Baker

The "Old Boys" did us proud again!

We could match just about all crews off the beach, the boat always had a good run on it, but we need to work on some depth coming home. It was the first time back at Aussies for a Freshie Vets Crew in a while and after two 2nd place races, we were looking good!

The third race was a tough one, we hit the X zone and showed great experience to not roll, break any gear or break anyone. We had a gutsy row to finish 5th out of 7.

Thanks to Blake Walmsley & Eric Middeldorp for sweeping the crew when MR couldn't, and for generally helping out with all crews when needed.

Crash

SURF SPORTS

U19s Girl Crew

Sweep: David Maguire

Crew: Kandy Lee (Stroke), Gemma Wickham (2nd Stroke), Cheyenne Hayes (2nd Bow) and Caitlin Doyle (Bow)

The Freshwater U19 Girls Crew had a wonderful year. All new to rowing, they started early in the season to learn how. It's very challenging for a coach with a crew of new rowers learning from scratch. The girls were amazing over the whole season, developing good surf skills as well as rowing skills. It was an enjoyable privilege to sweep and coach the girls.

They made the semi finals of the NSW Championships and competed at the Australian titles. The crew trained hard in the boat and on the ergs in the gym. The most satisfying day was at Pacific Palms competing in tough, windy conditions. The crew after a four minute row crossed the line within metres of champion crews. Freshwater kept pace with South Curl Curl, Avoca and Mona Vale who were all finalists at the Australian Championships with South Curl Curl winning Gold.

The crew completed all their patrols and were outstanding representatives of Freshwater Surf Club.

Thanks, David Maguire

U19s Freshwater Melons

Sweep: Peter Obern

Crew: Matt Hooker, Steve Phillips, Charlie Orton, Ben Lemlin

The Season began with such high hopes as the Melons set their targets on reaching the Semi finals at State and the quarters at Aussies. Invigorated by their new and highly experienced waterman Pete, the Melons set sail to reach these goals training with vigor and achieving solid results at the first few carnivals of the year. Rivalling their strong opposition in the form of the infamous Avalon "Pickle Ricks" or the untouchable South Curl "Sneaky Nuts".

However, come the Christmas holidays the Melons caught a metaphorical "crab", if you will. Sunken down by the hard anchor of overseas travel, training ceased for a firm and rough month. After which despite their hard efforts the Melons tried their best to get in the boat as much as possible but, half of the crew were trying their very best at completing their HSC. Thus, as time went on, the gym, boat and erg often lacked that crucial energy that came from a hardworking crew of four.

Despite these setbacks the Melons fought on, competing at almost every carnival and continuing to rival their opponents including their junior counterparts (Freshie Fruit Loops), who never did end up beating the Melons in a race.

Come February, the Melons achieved mixed success unfortunately narrowly missing the final at branch or quarters at State. The melons readied their oars for Aussies, setbacks no longer bothered them as they were there to win. Competing at Kirra on the Gold Coast, they faced 8ft waves and 6ft shore dumps, fighting valiantly to achieve a record breaking 4th place! Even more astounding they got this position three times. A real testament to teamwork.

SURF SPORTS

The Freshie Masters are a diverse group who are involved in all facets of club life from competition, education, club committee, training to keep fit, working at club events or just socializing.

It doesn't matter the age or the alimnet it is all about bringing the best out of each other, supporting our Club, having a laugh, making friends and the 2018 / 19 season has been about that and a bit more.

CARNIVALS AND CHAMPIONSHIPS

World Championships

The season started early with our first carnival being the World Championships in Glenelg in early November 2018. It was a great couple of days competition and socializing with the first day being calm and balmy and the second windy and chilly after a massive storm at the end of day one. The changed conditions on day two for the teams events put us in good shape and there were strong performances all round.

The touring party comprised Jo Kirkby, Gina McConnell, Linda Wiadrowski, Michael Kirkby, John DeMestre, Dave Lawler, Chris Pendray, Sigi Hill and Steve Bennett. All competitors medaled and post Carnival celebrations were an event in themselves. All results are detailed in the back of the annual report. Thanks to Bob Evans and Rick Ware for towing the trailer to Adelaide and back.

Freshie Masters Carnival

Everybody looks forward to Freshie Masters and with a new format of a pointscore based upon the results of the team events we were well supported by all Masters who were keen to pull on the Maroon and White. With perfect surf and weather conditions there was plenty of competition but sure enough we were able to take out 2nd place in the inaugural "Ross Parry Cup" (won by Manly) along with the all important sponsors prize which was drinks at the Harbord Beach Hotel which as expected was well supported. Nice work to Simon Phin for pushing the new format and to the organising committee for continuing to make it the premier masters carnival in the Country.

Branch Carnival

Branch this year was held at Palm Beach and we were tucked up in the southern corner as the surf was gnarly and it was pretty touch and go as to whether the event would progress.

Team Freshie was once again well represented and it was great to see the likes of Pete Block, Chris Tyrell, Alex Corner, Steve Dunn and Phil Fagan going around the cans. Female Dynamo Sammy Wood was all over the beach and needed a trailer to take her medals home. A massive highlight was Jo Kirkby taking Gold in the female 50-54 swim after picking up new skills from Johnny D's swim sessions. Joining the gold rush were Michael 'Killer' Kirkby, Sigi Hill and Steve Bennett with multiple golds. All in all the Team took away 37 medals, the best result for at least a decade and which gave us 37 reasons for a post carnival celebration at the Harbord Beach Hotel.

East Coast Masters

With the East Coast Masters Carnival back on at Collaroy after a year's break the Freshie troops rallied and saw Peter Collins, Andrew Murphy, Peter Obern and Scotty Carpenter joining the regular contingent in a show of strength to put as many teams on the beach as possible. Once again a great day under the new Freshie Tent kindly donated by Wayne Freakley. The post carnival social catch up was on the balcony at Freshie Surf Club.

State Championships.

By the time we got to State at Swansea the numbers started to thin with sadly no ladies able to make the event. It was good to see club stalwart Paul "The General" Storman fully recovered from his leg injuries from last season and pull a medal in the 60- 64 swim. Despite being a small but select crew the team produced some great results with many points being scored and multiple gold medals taken home by Johnny de Mestre, Mike Kirkby and after many years of trying, Stevie Davis and Steve Bennett juggling the title in the 60-64 Double ski.

After many seasons working overseas the team welcomed back Gaven "Nipper" Needham who with Simon Phin showed plenty of top form in their newly formed ski double combo.

The post carnival debrief was at the Swansea Surf Club and many races were relived.

Aussie Champs

Pretty much the same core group travelled to Aussies which were held at Broadbeach on the Gold Coast. Conditions were testing and highlights were the gutsy performance by John D, Sigi Hill and Andrew De Vries to take gold in the hotly contested 150 swim team, the unbeatable partnership of Killer and Johnny D winning their 5th title in board rescue in 6 years and seeing Sigi Hill congratulate Simon Phin when they medalled in the board rescue as it was Simon's first Aussie medal.

The support from Al Burns who was chomping at the bit to compete but for medical reasons had to be a spectator for this event, Wayne Freakley, club legend Jimmy Newman who was full of tips and threatening a come back next year along with our various partners made all the difference to the team spirit and thanks for being there.

The final event of the season was capped off with celebrations at Kurrawa Surf Club.

TRAINING FOR LIFE

Masters is not all about competition as there is strong group who just train for life and the banter that is mandatory with any training session. The regular ski training session see the likes of Mike Pastega, Mark "Gunno" Gunning, Billy Wilson, Ian "Wally" Wallace, Todd Rowbotham and James Coates ready to show the rest of the crew how it is done.

Mid week Jo Kirkby, Linda Wiadrowski, Gina McConnell, Rachael Needham and Nicole Phin are seen honing their skills with board and swim sessions before their coffee. A great addition to our group this year has been the non stop Sammy Wood who just loves it.

SURF SPORTS

There are always plenty of masters doing keep fit sessions in the gym, there is a weekly boxing session with the hard hitter Kenny Rickard and a swim group who swim on Friday mornings at dare I say it – Manly – of course followed by breakfast.

CLUB SUPPORT, OFF THE BEACH AND THANKS

The Masters group provide a great work force for all club events from Australia Day Carnival, Barney Mullins, Club BBQ's and general fundraisers. As soon as the call goes out for help the Masters Group kick into action and gets the job done. Thanks to all who have turned up to help.

Part of our direction over the last season has been to strengthen the social focus so we had a number of Friday night catch ups away from the beach at local venues where all could share tall tales of truth about the legendary past or just chat about the week that has been.

I am always amazed at the energy of Steve “Master Blaster” Davis who not only trains the house down but was a mainstay in putting through numerous Bronze groups through last season and from time to time was able to enlist other Masters to help out. Top effort !!!

With the many carnivals that we competed in this year a special thanks goes to Lynn Doyle for her time and patience in processing our carnival entries.

To Benny Kirkby thanks for preparing the weekly training programs and being mindful of the masters in training sessions. Thanks to Aaron “Changa” Thompson for running training sessions and making all welcome. To Linda Wiadowski thanks for helping whenever needed.

The fact of life is that everybody will at some stage qualify as a Master so don't fight it just join us and enjoy all that is on offer.

Steve Bennett
Masters Captain

With another long and challenging season over it's interesting now to review again the Freshie March Past Team, their achievements and the disappointments in one document. What are their highlights as "a" Team and/or as individuals growing within the team ? Then as a coach, where did I see the team's strengths', their effort while competing?

Well in short, to me they ended up doing themselves proud, again. The further the season went on the more they improved, right to the end at the Australian Titles in Queensland. Therefore their belief (in the end) that they can put in what is needed to challenge the best in the event almost saw them medal at the Aussie's (again) this season.

The Season -

Again this season there wasn't a lot of Carnivals to attend:

We started at South Curly's 100 Year Carnival, then a couple over the Bridge at North Cronulla and Wanda, then two local carnivals at Manly and Freshwater for the Australia Day weekend. The next was an early Branch Titles at Palm Beach followed by the East Coast Masters at Collaroy, the State at Blacksmiths Beach followed by The Aussies in Queensland.

In all only six (6) Club Carnivals were held, this including the two (2) in the Sydney Branch, with four (4) in the SNB Branch, plus the three (3) big Championships of Branch, State and Aussies.

Less Local Carnivals has an impact - With only the four (4) local carnival events the additional time and travel for the team to compete was now in play.

In reflection this factor did impact which members were available to compete and put on the track at each event. Together with the long season, this meant we competed at every carnival with a "different" team. Not saying this as an excuse, but more the point it takes much more effort from team members and coaching staff to produce a new and different team every second week. The outcome of these different team adjustments added to inconsistencies in our results and the continuous unstable team effect hampered their regular positional training which is critical to any early season improvement which produces the strong team necessary to attack the "big" one(s) at the end of the season.

Team competitors this season totalled only sixteen (16) in all, but unfortunately injury, work, plus others unable to travel to the Australian Titles in Queensland had the Team again struggling to find the 12 members require to put on the beach each carnival. Fortunately as in the past seasons the few extra numbers and support from backup members saw that we were able to put a Team on the beach every time we needed to. Thank you "all" for that help, without it we wouldn't have made it to the Branch, States and Aussies.

The State & Australian Teams: -

Peter Bacciarelli, Judy Bennett, Sam Di Sano, Kevin Dyer, Wayne Freakley, Lindsay Davis, Dave Inches, Andrew Murphy, Libby Murphy, Ross Parry, David Torevell, Richard Ware. (Bob Evans Coach)

Special thanks goes to the following for their help and assistance at training throughout the season:-

Geoff Lowe (injured) , Paul Morrison (injured), Ian Paul

Coaches: - Bob Evans, with the special assistant coaching from Peter Rowlands and Bob Grose

Major Competition Results:- 2018-19

- SNB Branch Open March Past Championship - 3rd Place (Bronze Medal)
- SNB Branch Open Handicap Shield – 2nd (Silver Medal)
- SNB Branch Open Premiership Shield – 3rd Place (Bronze Medal)
- NSW State Open March Past Championship - 5th Place (3rd in points, count backs for 5th)
- Australian Open March Past Championship - 5th Place* (3rd in points, count backs for 5th)

***Interesting to note:** Australian results of the 5 Final placed Teams were split by less than a point (0 - 0.50 - 1point) unfortunately Freshie fell on the 1 point end, but needless to say a great effort by the Freshwater Team in the Final.

The Competition & thoughts for next season...

Competition in the NSW Open March Past Event was again very strong this season, the top 3 Places were this year's Australian Open Final place getters. The Sydney Northern Beaches Clubs (including Freshie) took out three (3) of the top five (5) places in both the State and Australian Championships.

Having such a strong March Past competition right on our local door step means Freshie are lucky but we also need to have a strong competitive Team to compete each carnival.

Unfortunately similar to last year we were not able to consistently put the "same" team members in their preferred positions for each carnival. This meant putting a "different team structure" into each carnival throughout the season excluding the State and Aussies. We need, as a strong club, to be even better at this and to that end, maybe next season look at a Women's team to compete and a regular Junior (nipper) on the beach.

To the March Past Team Members and their Support Team (from the coach),

"Once again an unbelievable effort at the Australian Open Championship with your individual and team effort while representing the Freshwater Club.

*I hope you have now proven to yourselves that you are more than capable at competing at the highest level in this competition and therefore continue your effort to next year's celebration of the **100 Hundred Years of the March Past in Surf Life**
Saving, together with 40 years of Women in Surf Life
Saving... lets show what we can really do at Freshwater.
Thank you all".*

Bob Evans (Coach)

This season saw a significant change in personnel involved in Lifesaving Events with retirements, comebacks and new recruits. We had members competing in Champion Life-saver, First Aid and Patrol Competition. Branch Championships were held at the Branch Office for theory, Palm Beach for physical events and North Narrabeen for First Aid. State Championships were held at Swansea Belmont and The Australian Championships at Broadbeach.

Our perennial favourite Clare Freakley is taking a break from lifesaving competition (I will not use the “r” word as I am still hopeful Clare will return somewhere down the track, perhaps after completing her long dreamed of studies in medicine). Sam Hurrell was also lost to our team after many years as a mainstay of Patrol Competition. We wish him all the best as he pursues his medical studies at Melbourne University.

Champion Lifesaver

Written Paper, Resuscitation, Surf Race, Board Race, Tube Race and Sprint – six components requiring a number of different skill sets.

Lucas Phillips, Tahlia Dearden, Andrea Malm, Luke Thornton

The Branch Lifesaving Competition group of which I am a member have tried to find the appropriate timing for the conduct of the championships and this year the theory section was conducted on an earlier Saturday rather than midweek in the first week after the summer school holidays. It seemed to have had the opposite effect of what was hoped unfortunately as numbers were depleted in Champion Lifesaver and no club was able to field an eligible Patrol Competition team. Our own club had only one entrant.

Luke, an U14 Junior Activities member, who recently completed his Surf Rescue Certificate competed in Under 15 division and was our only representative at the Branch Championships. Luke gave a creditable display given his lack of experience.

At the State Championships we had some excellent results with Lucas finishing 2nd in the Open Male, Tahlia finishing 6th

in the Open Female and Andrea finishing 1st in the Under 19 Female. Luke finished 8th in a very competitive Under 15 Male group.

Lucas and Andrea qualified for Aussies with this result and in very competitive groups Lucas came 6th and Andrea came 5th at Aussies. Well done to both of them.

Patrol Competition

Written Paper, 4 person Resuscitation including AED and Oxygen, Surf Teams Race, Swim/Tube/Board Relay Race, Scenario – this is an all day event that requires knowledge, physical skills and mental strategies to get through the day.

Julia Baker, Tahlia Dearden, Jordan Dobson, James Crittenden, Lucas Phillips, Paul Milinkovic

Making a comeback to lifesaving events after a nine-year absence, Paul Milinkovic pushed the team on the physical front with pool sessions, board sessions and surf sessions. Tahlia continued to push study and the team was guided well by Andrew McEwan with testing papers. Regular resuscitation sessions were also a feature. The team was not able to compete at the Branch Championships due to work and family commitments. At the State Championships the team performed exceptionally well – particularly in resuscitation and the scenario. Julia's swim to the buoy in the Swim/Tube/Board relay was so exciting to put us in 1st place and Jordan and Lucas got us up there in the surf teams.

The reward was a State gold medal – 1st place.

At the Aussies we could not replicate this result and finished a disappointing 6th although only 2 points separated 4th, 5th and 6th. Despite every effort to thwart misjudgements we were not able to do this in every situation. Some silly points were lost which could have easily changed the whole result. There is always next year!!

Some of the Patrol Comp team including the newly married Paul aka Captain Onion and our super patient the lovely Mrs M had the opportunity to support many of our other club members later in the week and this was great for club camaraderie.

First Aid

Two per team in a timed scenario involving multiple patients

Finlay Miller and Luke Thornton, Tahlia Dearden and Julia Baker

This season there were just two teams competing for Freshwater. Whilst numerous attempts were made to get some other teams competing the timing for training and attendance at carnivals just didn't come together. Cheryl White and Kelly Dobrow also stepped back from competition this season, although they continued to support as officials and with some coaching.

Coached by Tahlia Dearden was a new Under 15 team of Finlay Miller and Luke Thornton. These boys are both Under 14 nippers. Their first competition at Branch was

quite testing and they did not have a lot of preparation. At State they achieved a significant improvement in their scores and came 5th – well done!

Julia Baker, competing for the 8th season in First Aid and Tahlia Dearden competing for her 7th season in First Aid had an outstanding season coming 1st at Branch, State and

Australian. Their scenarios run for 12 minutes and in that time they have at least five patients with multiple injuries. Not only do they need outstanding first aid skills, they also need to be intuitive, show empathy, work together as a team and have mental toughness. Depending on where you are in the draw you may face hours in lockdown before participating in the competition. You are handed a radio and walked in to a scene with possibly only a sentence or two to give you an indication of what may lie ahead.

Julia and Tahlia have shown incredible skill and teamwork since first competing as an Under 17 team in 2013-14 and coming 3rd at the Aussies. Since then in Under 17 2014-15 they came 2nd at Branch, 4th State and 1st Aussies, in Under 19 2015-16 2nd at Branch, 2nd at State, 2nd at Aussies, in Under 19 2016-17 1st at Branch, 1st at State, 1st at Aussies, Opens 2017-18 2nd at Branch, 1st at State, 3rd at Aussies. This season has been a clean sweep – 1st at Branch, 1st at State and 1st at Aussies.

Anyone who thinks this is an easy competition should think again – and come and watch what they do. Competition was developed to encourage lifesavers to hone their skills ready for anything they might need to deal with during patrol. Julia and Tahlia are ready!

LIFESAVING COMPETITOR OF THE YEAR – JOINT AWARD

Julia Baker and Tahlia Dearden

Julia and Tahlia have shown consistent dedication, skill and teamwork not just to First Aid but Patrol Competition as well. They are exceptional young women.

THANK YOU

Like any team the 'back office' support is essential. Luckily for Freshwater and the lifesaving team there are many people who willingly put up their hand to help out:

- Parents and friends who have helped carry gear all over the beach and transport to and from carnivals and cleaning up fins, tubes, bandages, first aid kits etc especially Jennelle Dearden and Dennis Eager
- Team accommodation – a big thank you to Mr and Mrs Crittenden for lending their house at Caves Beach for the Patrol Comp team!
- All those who gave their time as patients – particularly Catherine Howard, Claire De Paoli (the newly minted Mrs M) and Andi Malm and our patrolling members
- Our photographers – without whom I wouldn't get to see half the competition!
- Our officials and water safety – Cheryl White, Kelly Dobrow, Sharon Johnson, Andrew McEwan, Mark Thornton, John Lo Schiavo, David Price and James Crittenden
- Belinda Dobson and Mark Gilbert for their assistance with scenarios

Andrew McEwan provided invaluable assistance with Patrol Competition and Champion Lifesaver and I know the whole team appreciated his dedication to our Monday and

Wednesday night training sessions as well as his insightful suggestions around the scenarios.

His support, particularly in the last couple of weeks before Aussies was greatly appreciated. Thanks Andrew.

If you're looking for something fun, challenging, team building and character building – join the lifesaving team. Competition is held for Under 15, 17, 19 and Open in First Aid, Under 15, 17, 19, Open, 30+ and 40+ in Male and Female divisions for Champion Lifesaver and Under 17 (4 per team) and Open (6 per team) in Patrol Competition.

We are always looking for new team members. See you on the beach!

Lindsay Davis
Lifesaving Team Mentor

While the 2018 competition season was one of the most successful in the Club's history for this tight group of competitors, the 2019 has proven to be even better. That was despite the decision to conduct the Australian championships at Broadbeach.

When held at the Gold Coast, the announcement to hold the competition away from the Kirra precinct rarely evokes an enthusiastic response from competitors. That is especially so for the R&R fraternity who face the increased threat of the dreaded 'dry run through' being the culmination of a season of training and competition. Predictably the competition was moved to Kirra and it was there Freshie achieved some awe inspiring results.

Despite only having 4 teams, all consistently performed at the highest levels throughout the season. Among the many highlights –

- All teams winning medals at Branch, State and Australian titles
- The Open 6 person, the Open Men's and Open Women's teams winning gold at the same Australian championships. This is the first time any club has achieved this at a single Australian championship carnival.
- The Open 6 person team successfully defending its State title for an unprecedented 6th year in succession.
- The Open Women's 5 person team successfully defending its Australian title.
- The Open Women's 5 person team winning its 8th successive Branch title and close 2nd at the State championships.
- The Open Men's 5 person team winning its Australian title without any deduction noted on the score card.
- The Open 5 Men's 5 person team successfully defending its State title for a 3rd year in a row.
- All teams making the finals at the Australian championships and winning medals.
- Freshwater winning the 'Ron Sandstrom Trophy' as champion R&R club at the Australian championships.

Despite the success our Club and its teams continue to enjoy in this Surf Sports discipline, it remains disappointing there are no emerging junior teams.

With such strong numbers of Nippers at the club it remains a mystery why there is no interest in the event from the junior membership.

This is particularly so when other clubs with much smaller competitor numbers can consistently field teams. At this season's Age championships, there were a number of teams in the 2 person event from SNB including Collaroy, North Curl Curl, Queenscliff and Mona Vale. Sadly there were none wearing the Freshie colours in an event which can teach those very important lifesaving skills from such an early age. Hopefully our Age Managers can assist in rectifying this issue in the upcoming seasons.

Open Mixed 5 Person

Team: Seb Di Sano, Bec Kiely, Gracie Kiely, Pat Kiely & Hugo Weston – Coaches: Ian Donald & Jarrad Freakley

This team came together last season following the retirement of patient Gabi Rebecchi and the inclusion of Grace Kiely. After winning their Aussie Gold on debut at last year's championships, the team was determined to continue to perform strongly throughout the competition season and it did so splendidly. Under the watchful eyes of coach Ian Donald and his able assistant, Jarrad Freakley the team started the season as it had finished the last, winning both Manly and Freshwater carnivals.

Holiday time for Bec & Hugo saw some rearrangement to the composition of the team for Branch, which led to a silver medal. With all members back together for State, the team were crowned State champions.

Preparations had gone to schedule for the Australian championships and despite the tricky conditions throughout the day's competition, the team competed solidly in the heats to qualify first for the final. After winning the belt race in the heat, Hugo Weston yet again, put in another great swim in the final to win the race to the buoys against nemesis club, Wanda. However it was Collaroy who snatched glory from the jaws of defeat, with Wanda coming in second and Freshwater a very close third.

Despite not successfully defending their title, these competitors continue to embody the important qualities of a successful team: a commitment to training, a respect for their event and each other and most importantly, an eagerness to enjoy themselves along the way.

It has been a pleasure to share the season with this team and I look forward to seeing them in the maroon and white next season.

Open Women's 5 person

Team: Clare Freakley, Jane Freakley, Bec Kiely, Lysa Kiely & Libby Murphy – Coach: Chris Tyrrell

The core of this team has been together for more than 10 years however last year Bec joined as patient. After winning gold at Aussies 2018, all the talk of retirement was silenced as the women took on the challenge of defending their title. This was particularly so after being named both SNB and NSW Surf Sports Team of the Year 2018.

The year started well and at both the Manly and Freshwater carnivals, the team continued to dominate the women's event. Undefeated leading into the State championships, including an 8th successive Branch championship, the women appeared to be on an unbreakable winning streak. Sadly however, the crown of State champions remains allusive. Despite qualifying first in the heats, Wanda won the title by the barest of margins.

With the pain of disappointment far outweighing the pain of discipline, the women were determined to defend their title at Aussies. In the heats, Clare winning the race to the buoys, in difficult surf conditions inspired those on the beach to put in a great performance. This saw the team easily qualify for the final.

In the final, Clare again dominated in the water. By the time the final was run, the surf conditions had significantly deteriorated. Two teams were disqualified for failing to reach the buoys in the 10 minute swim time. Clare however, used all her strength and surf swim skills to execute the perfect race, using the strong sweep to reach the buoys with her last stroke. Any less and she too would have been swiftly on her way to Bilinga.

Despite her herculean efforts, the team was somewhat apprehensive about the final result because of the difficult 'pick up' conditions and the struggles encountered by the team at that point. With the scores being read and it becoming clear the winner was the team with the best swim time, the women were ecstatic in the knowledge it had achieved success for a second consecutive year. The result establishes this women's R&R team as the most successful in the Club's history.

SURF SPORTS

No doubt on such a proud note, Libby has decided she has achieved all she had set out to do (and more) and has wound in the reel for the last time.

During her time competing for Freshwater in R&R, Libby has competed in numerous Australian finals including one as a member of the 1st all female Open 6 person team to compete in an Australian final.

At Branch and State level she has won no less than 25 medals, including 8 gold at Branch. She has a complete set of Australian medals being 2 gold, 1 silver and 1 bronze.

Libby has been a great team mate and competitor. She will be missed by all in the R&R section but we look forward to seeing her elsewhere in the Surf Sports section.

Open Men's 5 person

Team: Alan Burns, Ian Donald, Seb Di Sano, Jarrad Freakley & Chris Tyrrell – Coach: Wayne Freakley

After years of competing together the Men's team was forced to find a new member with the retirement from competition by Wayne Freakley. The search ended when Seb agreed to reprise his role as patient, forcing Ian out of the water and back onto the beach.

It remains a mystery whether it was the changes to the composition of the team, or the change to the coaching personnel (or both), that created a winning formula. For certain though, one was created resulting in the Open Men's team enjoying its most successful season ever.

Like the others, this team won both the Manly & Freshwater carnivals. Regrettably, commitments prevented the usual belt swimmers Jarrad and Hugo from competing at Branch.

Notwithstanding his retirement from competition, the team made an audacious decision to enter Wayne Freakley as the

belt swimmer. Despite his absence of years from this position, he managed to successfully get out to the buoy and back, ensuring Freshwater maintained the title as Branch champions. Perhaps inspired by that success, the team continued their winning juggernaut by securing the State championship for the 3rd year in a row.

Leading into the Australian championships, Alan announced his intention to retire from competition. Winning an Australian title would be a fitting departing gift.

The team were motivated to train hard with time being spent on the beach and in the water. So it was their just reward when the winner was announced with a score of 0.00 and without a single mark on the score card. While it is difficult to ascertain officially whether this has ever been achieved by a team before, we would all like to think Freshwater is the first.

This achievement also marks the end of a most successful competition career. Alan commenced R&R competition with Freshwater in the 1996-97 season. He has competed in numerous Branch, State & Australian finals. As a competitor and coach he has won no less than 60 Branch and State medals including 22 gold at Branch and 14 gold at State. He has more than a complete set of Australian medals with 6 gold, 3 silver & 5 bronze as a competitor and 3 gold and 2 silver as a coach. Understandably, throughout the R&R fraternity, he is a legend.

Fortunately Al is committed to remaining as a coach, official and mentor and we look forward to seeing him in those roles next season.

Open 6 Person

Team: Ian Donald, Clare Freakley, Jarrad Freakley, Pat Kiely, Chris Tyrrell & Hugo Weston – Coach: Alan Burns

Due to Wayne Freakley retiring from competition, the Open 6 person team began the search for a new member. Pat decided to try water for a change, beginning his career as a patient while Clare retreated back onto the beach.

With only one loss throughout the season, the changes to the composition and roles of the team members did not hinder their success. Pat managed to master the art of being the perfect patient (not too unconscious, just conscious enough). While Clare drew on all her muscle memory to master the number 3 & 5 positions she had not performed since a Nipper.

Throughout the season, the team faced strong competition from both Wanda and Collaroy. At the Australian championships, Jarrad (belt) and Hugo (tube) won their respective swim legs, giving the team a great psychological boost. While it can never be said the event is won in the water, having such powerful and skilful swimmers in Jarrad and Hugo gave the team an edge over its competitors.

Winning the coveted pennant is a goal of every Open 6 person competitor, so there was no greater joy on the beach when this team secured another one for Freshwater.

SPECIAL THANKS

As always there is range of people to thank for their contribution to the overall success of the section—

Our dedicated coaches – Chris Tyrrell, Wayne & Jarrad Freakley, Ian Donald and Alan Burns. Coaches devote an enormous amount of time in the pursuit of excellence for their teams. As competitors, we are grateful for the time and effort you put into helping us achieve our goals.

A special thank you to Chris for facilitating the Tuesday belt sessions for not just the R&R competitors, but other interested swimmers. Our strength in the water this season is attributable to your initiative.

All those within the section who were willing to fill in at training and competition time when members of other teams were absent. To that end, a special thanks goes to Wayne who, after announcing his retirement from competition did more R&R than anyone else leading up to the State championships.

Chris, Wayne, Alan, Clare, Ian, Ken Priest, Bob Asser and Sue Troy who all undertook judging & official duties at local and championship carnivals this season, including State Age & Youth championships despite there being no Freshwater competitors. Without their willingness to take on these roles, the events may not be held.

Dave Torevell for maintaining and repairing our reels.

Wayne and Chris for ensuring the transportation of the reels and tents around NSW and beyond.

The husbands, wives, parents, partners and children of the competitors and coaches for being willing to rearrange their lives in order to allow it all to happen.

Finally to each of the competitors, thank you for the friendship, good humour and generosity of spirit shown to each other. While winning events is what we all aspire to achieve, having a good time along the way is also important, so thank you all for your contributions in making that happen.

Well done to all for a great season and hopefully Freshwater teams will be able to “Ring the Bell” in 2020.

Jane Freakley
R&R Captain

The first carnival of the year was on the home beach with a fine day and good competitive surf for the oldies. The boys set up the beach and the girls helped with the registrations and handing out the free t-shirts to everyone who competed. These were again donated by our sponsor, John Thorpe AM, from the Harbord Beach Hotel, also our patron, who we again thank for his continued support.

There were approximately 230 competitors on the day (similar to last year) from the local branches and north and south coasts and although numbers were down again, competition was still strong and the standard continues to improve.

However this year we decided to change the format to a more teams orientated event which worked very well both in competition and with events finishing in a more timely fashion. We have received a number of glowing reports from competitors about the new format and we intend to continue with this next season. On the day we had prizes

for the first 4 places in the overall pointscore, which were hotel vouchers from our sponsors, the Harbord Beach Hotel. 1st was \$500, 2nd \$350, 3rd \$250 and 4th \$100. First on the day was Manly with Freshwater coming a close 2nd and Bondi 3rd. These prizes were presented by Sean King of Harbord Beach Hotel after the carnival at a BBQ held at the back of the club which was attended by approx. 100 competitors. A great afternoon enjoyed by all.

Thanks to all the volunteers and to Craig Susans (Referee) and his officials. Without them there would be no carnival. Their dedication helps to make it such a great day and an event looked forward to attending each season.

Thanks also goes to Simon Phin for his initial ideas and implementation of the events on the day.

Ross Parry

Bennett Freshwater Fast & Furious Carnival

EVENTS

Sunday 25 November 2018

This was the 14th year of the carnival being run. Again, we were going to run with the same format as 2017, with all age groups having four board races each and the U11-U14's highest scorers qualifying for the iron-man event.

Unfortunately the event had to be called off due to the surf conditions being too dangerous.

We hosted for the morning just over 379 competitors from 15 clubs in NSW with a total of 80 Freshwater nippers registering this year compared to 91 in 2017.

We once again had a superb team of volunteers in the lead up to both events and on the carnival days.

Thank you go to the following Freshwater SLSC members who had a part in the setting up and lead up to the carnival:

- Richard Hawtin – Carnival Referee – great job once again with assisting Michal in the lead up to the carnival and management on the morning
- Hamish McLean – Sectional Referees – His wealth of knowledge and assistance is always appreciated
- Mike Westdorp – Announcer – handled the day very professionally keeping all competitors updated on the conditions
- Chris Veitch, Andrew Braund & Grayson Killen – Water Safety and IRB – with a fantastic group of volunteers who were ready to go
- Grayson Killen, Cam Patterson & Hayden Stephens – Beach set up and pack up
- Christine Coates & Tatiya Hastie – Catering – setting up, food packs and then the task of trying to distribute the food when the carnival was called off
- Emily Lemlin and the wonderful volunteers - First Aid

We had very generous sponsors once again and although the carnival was called off we still proceeded with the famous “Bennett Board Draw”.

Major Sponsor: Bennett Boards

Other Sponsors

- ♦ Bennett Boards
- ♦ Engine
- ♦ Funkita/Funky Trunks
- ♦ Guzman and Gomez
- ♦ Yoghurt Land
- ♦ Surf Safety Australia

List of clubs who participated

Avalon, Bilgola, Collaroy, Dee Why, Freshwater, Manly, Mona Vale, Newport, North Curl Curl, North Narrabeen, North Steyne, Queenscliff, Port Macquarie, Redhead & Swansea Belmont

Freshwater Open Boat Carnival

This year we brought the carnival forward in the season to the 24th November. The date ended up clashing with the World Titles and schoolies, but we still felt it would be good to have a change!

We had a great turn out of Northern Beaches Crews as well as some from further afield.

The morning showed little swell as we were setting up, but by the time the gun went off, we had nice clean sets coming through. Perfect for rowing and those crews who are still finding their feet.

On the day, Freshwater had 4 crews competing:

The Vets with Moose as a new crew member, who actually raced in the B division, B's, Colts & Juniors.

Well done to Andy who rowed in both Juniors and Colts for the day.

The Juniors finished 2nd, great effort, Guys!!

Thanks also to Mark for sweeping Vets and Juniors. Also thank you to Blake and the boys for doing pack-up duty.

The BBQ and drinks were a great way to finish off our carnival, showing off the Freshy hospitality.

I would like to thank everyone who helps me pull this carnival together each year. I have a fabulous team of people who always offer the Boat Area assistance. We weren't sure of how the date change would go but had great feedback from those who entered.

Ian Cradock (Crash)
Carnival Organiser

The 2019 Freshwater Australia Day Open Carnival was sponsored by **Healthy Care** and held on Sunday 27th January – it was publicised as being part of “Perfect Australia Day Weekend” of surf events along with Manly LSC. This was an attempt to increase the profile of this surf lifesaving weekend on the Northern Beaches against competition from Queensland club events. An integral part of this promotion was the awarding of prizes under an accumulative points score system across nominated events (Iron Person, Taplin, Sprints and Flags) from both carnivals. Prizes were cash for the Open events and towels, caps and vouchers for the U15/U17/U19 winners.

Freshwater also awarded prizes provided by Healthy Care for the winners of the Open Board events solely at Freshwater – congratulations to the winners Madison Spencer from Newport and Ky Kinsela from Qld.

In part due to this promotion but also the holding of the Inter-State competition the week before, the weekend saw an increase in competitor numbers of approximately 25% (to ~850 entries) for the day from 2018. The numbers across the U15 and U17 age groups were around 200 in each of these Age Groups and in looking forward to 2020 this needs to be something that is taken account of in the planning.

For the carnival itself the events program was similar to recent years with no U13 and U14 events, the U15 and U17 age groups using the northern area and Opens and U19's using the central and southern area. Fair weather and Michael Kirkby as the Carnival Referee meant events kept to schedule and the carnival was concluded “on time” with the March Past run at 12.30pm and events concluded around 2.30pm.

As per previous years I would like to think the manner by which Michael performs the role of Carnival Referee and the teams of sectionals and officials under him, is recognised by the competitors as making for a “positive experience” when coming to Freshwater.

I would like firstly to thank Michael for performing the key role of Referee and secondly to members across the breadth of the club who contribute to making the day the success it was:-

- George and Michelle Vella for their work in preparing the club for the day;
- Steve Bennett and the Masters competitors for the set up;
- Kay Cowley for the planning and preparation of the catering for the officials, carnival workforce and formal function;
- Ian Cradock and the boaties for undertaking parking and traffic control responsibilities;
- Emily Lemlin and her group of members who provided first aid coverage;
- Dee Godoy and patrolling members on the day who supported ATV duties and provided work crew as required during the day and covered pack up duties;
- Lynn Doyle and her helpers for the registration at the beginning of the day;
- John Lo Schiavo and the IRB drivers & crews for setting up the courses and providing water safety;
- Mary-Louise Parkinson for arranging the sponsorship by Healthy Care Australia and supporting me in the promotion of the events;
- Paul McGettigan and the Nipper Parent group who set up and manned the BBQ all day;
- Shanny and Liv Dyer for managing the radios and being “results collaters” for the day;
- Tom Duffy for being ESO on the day; and
- Al Burns for hosting the club’s formal function on the day.

Richard Hawtin
Carnival Organiser

Over the years the club has conducted a Sunday morning surf race and it continues today with the interest and contest as strong as ever. During this season we held 18 races with 91 individual competitors and also had 15 U14 swimmers who competed each Sunday. We also had 44 senior board race competitors compete in the handicap board race each week for the Don (Bullet) Henderson Cup and 10 U14 board competitors. The results for the year were as follows:

President's Cup

Sam Jones

U14yrs Chairman's Cup

Bree Coates

Jock McPhee Award (total points first 3 races)

Dom Edgell

Alex Mcphee Award (total points last 3 races)

Ben Blakeney

Most improved Swimmer

Alex Jacobs

Don (Bullet) Henderson Cup (total points during season for Board Race)

Sam Jones

Most improved Board Rider

Peter Block

Most improved U14 Swimmer

Charlotte Block

U14 Board Race Point Score

Bree Coates

This season we introduced the U10s, 11s, 12s & 13s nippers into the Sunday morning race prior to the senior swimmers in a handicap race for their age group. We had 43 competitors and a point score for each age group.

Those winners were –

U10 - T Northcote

U11 – L Davies

U12 – A Rebecchi

U13 – D Howitson

Congratulations to all the winners. We hope to continue with the nippers competition next season. All times before next season will be reviewed and no complaints entered into! I want to thank the IRB crews for their help each Sunday for the laying of the buoys and for Rick Ware and Kev Crow for their continued efforts with water safety. I hope everyone enjoyed the season and I look forward to seeing you all again in October 2019.

Ross Parry

AUSTRALIAN CHAMPIONSHIPS TOUR TO BROADBEACH, GOLD COAST, QLD

On the competition side we continued to impress at the National level, coming 17th in the overall pointscore. Some of the results at the National titles held at Broadbeach on the Gold Coast were outstanding. In the Masters, Mike Kirkby and John de Mestre won gold in the 55-59 years Board Rescue, their 3rd title in succession and John also won the 50-59 Open Water race. Gold also went to our 170 years Surf Teams consisting of John de Mestre, Sigi Hill and Andrew de Vries.

In the Open competition, our Open Women's R&R team consisting of Libby Murphy, Lysa and Bec Kiely and Clare and Jane Freakley successfully defended their title by winning gold. The Open Men's 5 R&R team of Chris Tyrrell, Ian Donald, Jarrad Freakley, Seb di Sano and Alan Burns also won gold and our 6 person R&R team Chris Tyrrell, Ian Donald, Clare and Jarrad Freakley, Hugo Weston and Pat Kiely took out the gold also.

How pleasing was it to see the Open First Aid title go to Julia Baker and Tahlia Dearden. Julia has now won a gold medal in this event in the U/15s, U/17s, U/19s and Opens for the club while Tahlia has won gold in this event in the U/17s, U/19s and Opens. Many silver and bronze medals were also won in both the Masters and Open carnivals and a full list of the Championship results is included in the "Competition Results" report.

It is not easy arranging accommodation for up to 85 people in close proximity to the Australian Titles, but once again, Amy Cradock did a marvellous job in securing accommodation for all of us at the Meriton Suites at Broadbeach, only 1.5 kms from the carnival area. This resort allowed us to have our nightly briefings in the outdoor area, where each of the section captains gave a summary of the results in

their section on a daily basis. For the first time in many years, we were able to field competitors in every discipline.

Due to the conditions, the carnival was split into two different sections. The men remained at Broadbeach while the women, boats, R&R and U/17 males were transferred to North Kirra. The distance between both beaches is 17 kms and it obviously meant additional logistical issues as not only competitors, but gear also had to be taken between both locations. All sections worked together in handling the changes forced on us and we overcame the difficulties without anyone missing their events. It was great to see the amount of support for the March Past on the Sunday of the carnival as by then, all other competitors had finished their competition and we celebrated our participation in another Australian Championships with a function at the Broadbeach Bowling Club on the Sunday evening.

All the competitors owe a huge thankyou to the various members who repaired and packed equipment, drove trailers to carnivals, acted as ESOs, judges, referees, safety officers and officials at carnivals during the season including these titles. Also to those who provided voluntary coaching for our many teams, to the panel captains for their work during the season and not to forget all the parents, partners and siblings who gave of their time so generously in support of our competitors. We would not be the club we are without all these people.

Finally, to all the competitors for the effort they've made over the season to train and compete. I hope you've found the season to be rewarding and even at this early stage are looking forward to next year's competition.

Alan Burns
Tour Manager
