

FRESHWATER SURF LIFE SAVING CLUB JUNIOR ACTIVITIES COMMITTEE (JAC) APPLICATION FOR NIPPER BOARDS 2022 - 2023

General comments:

1. When a board is allocated to a child, the child must become an active member of the Freshwater Nippers Training and Competition Squad.
2. The child will compete in individual events at all local carnivals including the Freshwater Nipper Carnival (currently known as “Freshie Fast & Furious”), Branch Junior Carnivals, Branch and State Championships and if selected, in team events at Branch and State Championships.
3. Any request for an exception to the above is to be made to the Sport Co-ordinator.
4. Each user will need to provide a board cover for the protection of the board. NO COVER, NO BOARD
5. The user is responsible for ALL damage sustained to the boards including damage from competition and official training and will be repaired at a cost of the individual unless exempt by the Junior Sports Coordinator.

Timing of initial distribution of Boards:

1. An email outlining the Application process is sent to Age Managers who are asked to distribute to competitors within their age group that may have an interest in applying for this season. This is to enable as many potential applicants to indicate their preference for the coming season. The Sport Coordinator may also distribute this Application process to potential competitors, and he will advise the appropriate Age Manager if he has done this.
2. Before the board is collected, the applicant must complete the Application and make the required payment at <https://shop.freshwaterslsc.com/board-hire/>.

The signed Agreement should be returned to the Board Coordinator (Mark Burrough), and a board cover needs to be provided.

3. On presentation of evidence of payment, signed Agreement and a board cover, the board will be allocated.
4. The original Agreement will be retained by the Board Co-ordinator.
