The thirteen competitors who qualified for lifesaving events at the 2025 Australian SLS Championships acquitted themselves very well and represented our club with the true Freshie spirit.

All of our team worked hard to achieve the best possible outcome for themselves and their teams.

Day 1 Open and Masters Champion Lifesaver; Open First Aid

Clare Freakley competed in 30-39 Champion Lifesaver. None of the physical events could be held due to water conditions and Clare had to return the next day to complete just two of the events – swim and sprint. Congratulations on your 2nd place – 88.75/100

In Open First Aid, Caitlin Price and Sammy Lever in their first ever Aussies, placed 7th and were big improvers from the State Championships.

Tahlia Dearden and Julia Baker (our Freshie Flamingos), with many years of experience, scored 667.50 points – just 13 points behind the winners, placing 3rd. Well done teams!

Day 2 Champion Patrol

This was a very, very, very long day. With Champion Lifesaver competitors there to complete their competition and some being involved in both events, it was very difficult trying to get swim races and surf teams done. The surf conditions were very challenging, but our team had been working hard on their swimming. Led by Liam who placed first in the heat and second in the final, the team did very well in this component. The team was last on to do the scenario and eventually completed their final event at 6.12pm under lights and the watchful eyes of the SEMC team. Their 5th place was an amazing effort in such trying circumstances.

Day 3 U19 Champion Lifesaver and Under 19 First Aid

Despite not getting off the beach until after 7pm the night before and needing to arrange equipment etc Josh, Kirra, Liam and Izzy were at Bilinga SLSC bright and early for another day of competition.

Josh Orr and Kirra Budd were in both events and would need great powers of endurance to get through the day. Liam and Izzy were focused and ready.

Congratulations to Josh on his 3rd place in Champion Lifesaver. Kirra came up against some very strong competition to finish 7th. Balancing this CLS competition with First Aid lockdown was not easy.

In the U19 First Aid Liam and Izzy finished 4th, just outside the medals. Kirra and Josh placed 7th. Grace and Lily in their first Aussies place 8th. To have three teams in the final was a great credit to their hard work and that of their coaches Kelly, Cheryl and Mark.

Day 4 U17 First Aid

Fionn and Ewan finished 5th and displayed a huge improvement on their State competition. If they can balance their other sporting commitments going forward, they will be a great team to watch.
