

FRESHWATER SURF LIFE SAVING CLUB JUNIOR ACTIVITIES COMMITTEE (JAC)

APPLICATION FOR NIPPER BOARDS 2025 - 2026

General comments:

1. When a board is allocated to a child, the child must become an active competitive/training member. If your child fails to train or compete regularly, they may be asked to return their board so that it may be used by a child that does.
2. Any request for an exception to the above is to be made to the Board Co-ordinators.
3. Each user will need to provide a board cover for the protection of the board. **NO COVER, NO BOARD. BOARD COVERS MUST BE PRESENTED ON COLLECTION OF BOARD.**
4. The user is responsible for damage sustained to the board outside of competition and official training. If a board is damaged during competition or training, damage is to be shown to a nippers committee representative immediately otherwise it will be repaired at a cost of the individual.

Timing of initial distribution of Boards:

Before the board is collected, the applicant must complete the Application and make the required payment at Make a Payment through Gateway: <https://members.sls.com.au/members/pay/153> as well as having paid their membership and training fees. [Click on link for instructions on how to pay\(/app/uploads/2024/10/Payment-for-Nipper-Board-Hire-Fees-24-25-1.pdf\)](#)

The signed Agreement should be returned to the Board Coordinators (Terry Nolan (U9-13) + Mark Burrough) (U14), and a board cover needs to be provided.

1. On presentation of evidence of payment, signed Agreement and a board cover, the board will be allocated.
2. The original Agreement will be retained by the Board Co-ordinators.
